A Message from Your EECA Board

It's been a busy start to the skating season at the rink. User counts are way up and our days open are more than last year... well until this past week of warm weather. The rink had to close because when the sun is beaming down, the ice melts fast. The more activity on the rink, the harder it is to repair. This is why we ask that when the rink is closed due to weather, everyone stays off. Thank you for your help on this!

Please remember that anyone found fighting or abusing staff, verbally or physically, will be asked to leave. We want this to be a fun experience for everyone.

On January 23rd, 2016, we had one of our highest amount of users on the rink at one time in years. 28 people were using the rink and just having a great time. It is always refreshing and exciting to see our hard efforts pay off. We have welcomed new members from area's outside of Evergreen as well including Quarry Ridge. Membership for a family is only \$20 and just think, at \$2 a skate per day per person, that \$20 is covered in no time AND you can go swimming during community league swim for free as well!

Speaking of swimming, Clareview Recreation Centre pool is closing for warranty repairs from February 1, 2016 - March 29, 2016. This affects our free swim on Saturdays. In the interim, Londonderry Pool will have free swims for community league members however we are still waiting for the schedule. It will be posted on Facebook and at www.eeca.ca

The Association for Evergreen Youth is having its annual Family Fun day on Saturday February 13, 2016 from Noon - 4 p.m. at the Youth Centre and skating rink. Details on the front cover of the newsletter.

Last thing, EECA has its casino coming up at the Century Casino on March 3 and 4th. Call Al at 780-756-3746 to volunteer!

Have a great February everyone and Happy Valentines Day on February 14th!

Garden Club News

Greetings fellow gardeners! The Garden Club is pleased to announce that some volunteers have stepped up, and the Club will continue on! Please join us in welcoming our new executive:

President: Freida Reid
Vice President: Mary Avison
Secretary: Sherry Mierau
Treasurer: Gloria Krawchuk
Events Coordinator: Arlene Cardenas

Thank you ladies, for helping this great Evergreen tradition to continue to thrive.

This great group of ladies will lead us through a year of garden-related discussions, speakers, games, crafts and trips. We are very excited to move forward! Would you like to join us? We meet once a month, on the third Monday of the month, at 6:30pm in the Community Hall in the strip mall. Two or three times a year we have additional trips, like going to Kuhlmann's to put together fantastic containers, or doing bus tours to greenhouses, horticultural destinations, or exceptional home gardens in the city. The cost for these outings is covered by the Garden Club through plant sales every spring. Our membership cost is \$10/year, and you need to be a member of the Evergreen Community Association as well, which also costs \$10/year. Volunteer commitments are minimal. Fun and new neighbourhood friendships are guaranteed. We'd love to have you join us! Show up at our next meeting and check us out, or else call Mary at 780-406-5710 for more information.

Our next meeting will be 6:30pm at the hall on February 15th. Our new executive is still meeting to decide exactly what we will be doing, but February is traditionally our seed and houseplant swapping day. So bring the plants you're tired of and the seeds you're willing to share, and join us for garden chatter and refreshments.

Join the Club, meet new friends, share a few laughs...and go home feeling good.

Deadline for ad's for the March issue of the EECA News is February 20th.

Dojo Arts Martial Arts Club

Activities like karate are a fun way for both boys and girls to achieve fitness and focus. The martial arts help teach self-discipline and socialization skills.

In fact, many children who have ADHD report success with these programs because self-control and concentration are exactly the skills underdeveloped in ADHD kids.

A typical hour-long class begins and ends with a bow to the sensei. After a warm-up, students practice the art's skills, including kicks, punches and blocks. Each requires concentration and strict attention.

Progress is marked by the belt system, which takes the beginner from a white belt through a variety of colors until black. Testing for each new level is a good exercise in setting and achieving goals.

But it's the respect kids learn,

whether from bowing or standing still and waiting for the next command, that can be the most important benefit: It often carries over into school, helping to improve behavior and even grades

Gentlemen of Evergreen

Hello, hello!

Wow. It's been a while since I've been able to get an article together for the newsletter but that doesn't mean that the Gentlemen of Evergreen have not been busy! December and January were crazy, here are a couple of our highlights:

- Jan 16: We had HUGE Indoor NERF Day, many bullets were lost, but definitely worth it!
- Jan 31: Our group headed out to Ice On Whyte to go skating, check out the sculptures, free concerts and grabbed some

hot chocolate. Here is our plan for February:

- 6: Workout circuit+ Cooking (TBA)
- 13: Cross Country Skiing and/or Snowshoeing in Goldbar Park
- 20: NERF Day
- 27: Paintballing @Edmonton Paintball Centre

Our number of attendants has been a little unpredictable lately: on colder days we'll have as few as 6 boys, on others as many as 15 which is pretty typical during the winter months. What is really positive is the number of new participants we've been seeing lately, usually coming with a friend. We try our best to provide an environment that is both fun and safe for our participants, even if it is for only 5 hours a

week.

Take care everybody, we've made it through January, which means we're that much closer to summer!
