Garden Club News

Greetings fellow gardeners! How did you even have time to read this column? The weeding, pruning, watering, dead-heading and harvesting has begun. Like busy worker bees, we are all buzzing around our gardens with a list of things to accomplish. As the dog days of summer descend on us, keeping up with the watering can be difficult. If you find it hard to remember to water, consider moving from petunias and geraniums to some local perennials that can easily handle, even thrive, in a dry environment. Lilies, gout weed, oatgrass, stonecrop, and many others will survive well with heat and little water. Visit your local greenhouse for some great plants tolerant of our dry Alberta summer. Two members of the Horticultural Society were toured around our yards prior to our June meeting as non-biased judges of our annual container and garden bed contest.

Congratulations to the well-deserving winners:

Containers:

Pat King - first place

Sherry Mierau - second place

Gloria Krawchuk - third place

Garden Beds:

Arlene Cardenas - first place

Mary Avison - second place

Kuhlmann's gift certificates were handed out to the winners courtesy of the Garden Club.

Our next meeting will be July 18th at 6:30pm and will be a trip to the Alberta Crop Diversification Centre. This fascinating place will be giving Garden Club members a private tour of their facilities. Are you interested in what's going on across the tracks behind the fences? Join us and find out! Email evergreengreenthumbs@gmail.com for more details. Members, wait for your call from Pat King for more details on transportation and exact times.

Our annual BBQ will be July 9th, save the date! Members are invited to bring their families and enjoy some gardening fellowship. Please talk to your Garden Club executive for more details.

Happy gardening everyone!

Join the Club, meet new friends, and go home feeling good....

Things are Changing at Evergreen Youth Centre

Starting in September 2017 the Youth Centre will no longer have FCSS funding. This decrease in funding will result in changes to the way programs are offered to the children and youth of Evergreen.

To assist with that, and to address rising costs, we have raised our BBQ price from \$4 to \$5 and set a \$5 fee per field trip. However, please do not keep your child(ren) home due to an inability to afford the program fee. Just talk to us, we can help! It is not our intention to leave any child behind who

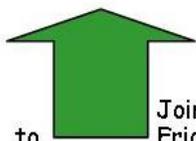

wants to join us and agrees to the rules set in place for participation. check it out!

We're looking forward to an amazing summer with the City of Edmonton Green Shack keeping them busy weekday mornings from 10 a.m. to 1:30 p.m. and the Youth Centre taking over for the afternoon until 8 p.m.

Come by the playground/Youth Centre area and

Serving the children and youth of Evergreen since 1996

Green Shack playground program (ages 6 to 12)

Join in co-operative games, sports, crafts, music, theatre, nature, and imaginative play! This program runs Monday to Friday 10 a.m. to 1:30 p.m. Children under the age of 6 are welcome but must be supervised by a parent or guardian at all times. Find a calendar of planned activities posted on the side of each Green Shack each week. If there's a game you'd like to play, just ask the Program Leader!

All summer drop-in programs are led by staff who:

- Ensure participants play safely; parents are responsible for their children at all times and must be available in the event of an emergency.
- Have completed a Security Clearance process, are trained in First Aid and are certified specialists in FUN!
- Are easily identifiable by their t-shirts and name tags.
- May be assisted by a Leaders In Training youth volunteer. You will see many different summer staff in your Community Programs this summer. Everyone plays a slightly different role — to help you understand who does what, our staff will be wearing different coloured shirts. Please feel free to stop by and chat with any of them!

Weather Policy All programs are based outdoors. Participants should be prepared to be outside in any weather and have appropriate clothing, footwear, and other protection (hat, sunglasses, etc.). The programs may close during severe, inclement weather.

Sunscreen and Insect Repellent City of Edmonton program leaders cannot provide or apply sunscreen or insect repellent. Please ensure your child understands how to use/apply both products before programs begin. You Might Like to Bring • Backpack/bag • Refillable water bottle • Allergy Aware snacks to eat • Weather appropriate clothing • Closed toe shoes; no sandals or flip flops • Hat • Sunscreen and insect repellent Please do not allow your child to bring items that have large monetary or sentimental value or that may be harmful to other participants.

Allergy Awareness A growing number of participants have serious food allergies. For their safety, please refrain from sending snacks containing: • Nuts, including peanut butter • Eggs • Fish
