# Garden Club News

Hi Evergreen Community

The garden club members have been busy. Decembers Pot luck was a true feast with lovingly prepared food and live music, a gift exchange conversation and laughter.

There was no newsletter in January as the printers were on vacation. January was our AGM and nothing has changed at the executive level.

The Program of events for the year was set, and the first event was a pottery evening at 4cats Studio where member made bird feeder and interesting pots. By all accounts it was loads of fun.

We were all a little housebound because of the severe winter weather in the first part of February so our February 'Seedy Monday ' was a welcome reminder that spring is on its way.

Members exchanged seeds and plants , but not as many as usual. It was so cold plants were in danger of frostbite during transportation.

So if you are getting cabin fever wondering where spring is, come join us on the 3rd Monday every month at 6:30 pm at the community league hall.

Become a member and join like minded gardening folk for crafts, discussions field trips and more. Community league membership and \$10.00 will keep you busy. Look forward to seeing you.

If you have any questions about how much fun we have.
