PRESIDENT'S CORNER

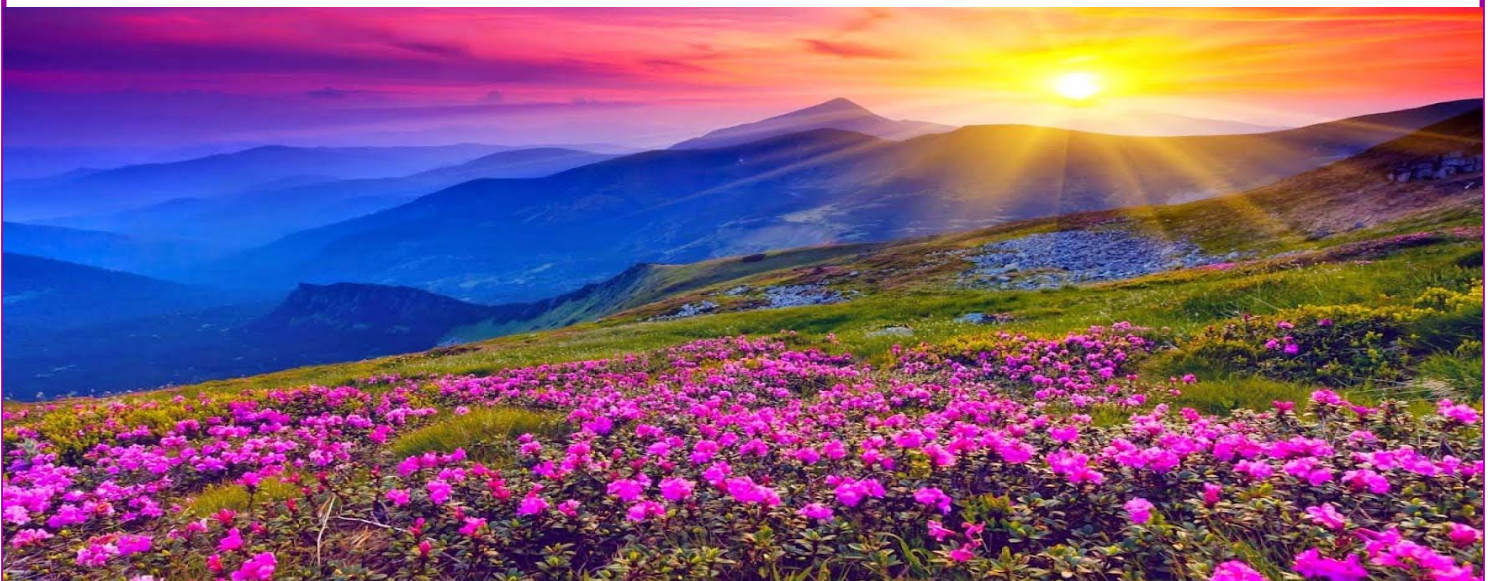

On April 7th we held our Annual Volunteer Appreciation Event at the Community Hall, there were many smiling faces in attendance. We enjoyed a great buffet breakfast and lots of conversation. It is our dedicated volunteers who make the EECA possible, without you we would not be where we are today. I will take this opportunity to once again thank our amazing volunteers for all that they do.

Our Annual General Meeting is scheduled for May 27, 2019 and my role as your President will be coming to an end. I will remain a big part of the Edmonton Evergreen Community Association, but will not be staying on in the Presidents position. The past few years have been amazing, I have made many friends throughout my years on the EECA Board, and I am thankful for them all. I hope to see you all at the AGM, come on down and vote for your next 2019-2020 EECA Board of Directors.

May 25th we will be hosting our Annual Spring Fling, We will start the day off with a free pancake breakfast followed by lots of fun and games for the kids to enjoy. We look forward to seeing you there. I hope everyone has an amazing Spring/Summer, I am sure I will be seeing many of you throughout the community.

Warm wishes

Spring Quote

"I wandered lonely as a cloud that floats on high o'er vales and hills, when all at once I saw a crowd, a host, of golden daffodils; beside the lake, beneath the trees, fluttering and dancing in the breeze."

– William Wordsworth

Garden Club News

Evergreen Garden Club

May 2019

Greetings fellow gardeners! Gardeners in Alberta are rejoicing over the early spring we've been blessed with. The winter was cold and brutal and we are all happy to see the late evenings and warm temperatures return. In years where spring breaks through early, it's fun to throw some "cool weather" seeds in the soil early. Try some peas or lettuce for an early yield that can handle a couple cold mornings. A few days of frost might kill them, but you also might end up with fresh peas by the end of May. This is a risk you might be willing to take. Plant at your own risk, this is gardening roulette at it's finest.

By the way, Evergreen, don't buy all your annuals and perennials just yet – don't forget our HUGE plant sale at the Spring Fling, May 25th starting at 10am. We will have loads of donated annuals and carefully harvested perennials for sale at great prices. Please support our great club and buy local!

Last month, the Evergreen Garden Club met to paint some garden signs. Each member got to keep a sign and we painted some extras to sell at the Spring Fling. They are always hot ticket items – get yours while they last!

Our annual Kuhlmann's container planting day is set for members – the first week of May will find all members meeting at Kuhlmann's for a great evening of planting. The Kuhlmann's staff give us a tour of the greenhouse, feed us snacks, and let us use their dirt, fertilizer and plants to make amazing containers that they will feed for a few weeks until we are ready to take them home and display. This is all free for Garden Club members thanks to both the Club coffers and a generous Kuhlmann's discount. Thank you, as always, to this fantastic local greenhouse for supporting us for over a decade.

Our next meeting will be May 20th at the Community Hall at 6:30pm. We will be making some final preparations for our Spring Fling so come join us for refreshments and some lively spring gardening discussions! If you love growing things as much as we do, please consider joining the Evergreen Garden Club. We have gardeners of all ages and experience and we welcome anyone new. Call or text Cori at 780-860-3582 or email Margaret at verhagenma@gmail.com for more information.

Join the club, meet new friends, share a few laughs, and go home feeling good.

**If you are thinking of selling now is the best time of
year to list! Don't wait!!**
