Evergreen Seniors News

Each year, the Great Pumpkin rises out of the pumpkin patch that he thinks is the most sincere. He's gotta pick this one. He's got to. I don't see how a pumpkin patch can be more sincere than this one. You can look around and there's not a sign of hypocrisy. Nothing but sincerity as far as the eye can see.

Evergreen Garden Club

October 2019

Greetings fellow gardeners! Our summer was cool and rainy but the fall has been warm and sunny. As of the deadline of this column, frost has still not touched the ground. This is unusual for Edmonton and the gardeners are loving it. Do you remember the blizzard that hit us September 5th last year? Let's count our blessings and enjoy the pleasant autumn evenings we've been given.

The Garden Club had the pleasure of hosting Andrea Brousseau from Kuhlmann's Flower Shop at our last meeting. Andrea showed us how to arrange flowers in the most unusual and spectacular ways. As many of us love to take our blooms inside for display, we are now all quite keen to try out some different arranging styles! Thank you, Andrea, for your great workshop and for the lovely roses you sent us home with.

Our next meeting will be a games night. Please note that this month we are meeting on the FOURTH Monday instead of the THIRD Monday due to the federal elections. This puts our meeting on October 28th at 6:30pm. That happens to be very close to Hallowe'en, so if you feel like dressing up, please do! Garden Club members often have quite inventive costumes, so don't worry, you won't be alone. The games will be garden-themed with a Hallowe'en twist. Come ready to play and have your lucky clover in your pocket, maybe you'll go home with some prizes! A gentle reminder – if you still have your stake from this summer's container competition, please bring it back to a Club meeting so we can re-use them.

Are you looking for something fun to do once a month that involves dirt and flowers and friends? We are a welcoming group eager to share our love of growing things in Evergreen with young and old, and accept members aged 12 and up. Whether you're just dreaming of gardening or are already the caretaker of a perennial paradise, we'd love to get you know you. Call or text Cori at 780-860-3582 for more information about the Club and how you can be a part of it, or just show up on October 28th and play some games with us.

Join the club, meet new friends, share a few laughs, and go home feeling good.
