Garden Club News

Greetings fellow gardeners! This summer was one of the warmest in Edmonton's history. With so many days reaching over 30 degrees either your plants look a little brown, or your water bill has you seeing red. There are, however, many indigenous species of trees, shrubs, and plants that are drought-resistant. For your hottest, driest areas, try planting some ornamental grasses, junipers, or succulents, or perhaps a combination of all three. If they are sheltered from the wind, hot peppers love to grow in the heat, too. Most of the greenhouses have sales on right now, so picking out some local plants and trees will be easier on your wallet than you'd think.

Last month, the Evergreen Garden Club had to cancel it's meeting for the first time in over a decade. Unfortunately, a combination of holidays, jobs and illnesses came to a head and the meeting was not able to go on. Our sincere apologies to anyone who was looking to check us out. Members were all informed prior to the meeting, thanks to our calling policy. Thank you, Pat, for always keeping everyone in the know. It is one of the more personal touches of the Garden Club that we appreciate.

If you love growing things as much as we do, please consider joining the Evergreen Garden Club. We have gardeners of all ages and experience and we welcome anyone new. Call or text Cori at 780-860-3582 or email Margaret at verhagenma@gmail.com for more information.

We will be moving forward into September with a fresh outlook. Our next Garden Club meeting will be a planning meeting for trips, meetings and more in the upcoming months. We would like your input! What would you like to see the Garden Club do? Bring pictures, ideas and friends to Community Hall in the strip mall on September 17th, at 6:30pm. See you there!

Join the club, meet new friends, share a few laughs, and go home feeling good.

EVERGREEN YOUTH EXPRESS

September
2018

BE INVOLVED
BE INVOLVED

Since 1996 the Evergreen Youth Centre has been providing child and youth programming, and has played an important role in all family programming provided to the residents of Evergreen.

Many aspects of the Youth Centre have changed this past year since long time Executive Director, Alice Hobbins has retired, and Program Leader, Laura Scott, has taken over managing the Youth Centre. Changes include the Board of Directors, funding, and programming. We no longer receive FCSS funding which was cut in September 2017, and recently, our Gaming funds have been restricted. These restrictions will affect programming, afterschool snack, field trips and family events held by the Youth Centre.

If you would like to help and support the Youth Centre, please attend our AGM on September 17th, 2018 and consider sitting on the Board of Directors. We are also seeking food donations for afterschool beginning in September, any help is appreciated.

[The Association for Evergreen Youth](#)

The Association for Evergreen Youth announces its Annual General Meeting, taking place Monday September 17th, 2018 at 7:15pm at the Youth Centre.

Board Positions up for Election for 2018 are:

- ♦ Vice President
- ♦ Treasurer
- ♦ Director at large

Summer Fun 2018

This years Summer Program was one to remember! Our summer staff, Cameron and Sara were so much fun and energetic. Our daily drop-in was filled with many activities such as Zombie Tag, Capture The Flag and lots of card games! For our weekly swims we checked out a few different pools and even some outdoor pools! We had a blast on our Monster Day, Poop Day, Super Hero day, and at our Wrap up Party! We took in some awesome field trips like going to the movies, gymnastics, and the Zoo!

We would like to thank all who supported and joined our programming! We hope everyone has lasting memories and is waiting with anticipation for next summer!
