Getting your home ready for Winter....

Winter is fast approaching, here are a few tips to keep in mind.

1. Check your furnace filter, you should be changing the filter every 3-4 months. Have your furnace cleaned professional to ensure good air flow and check that everything is working correctly.
2. Heat tape is very important to aid in keeping your plumbing warm. If you have heat tape installed be sure that it is turned on as the temperatures get colder.
3. Change your ceiling fans to run clockwise so that the warm air is pushed downward.
4. If you have older windows that are drafty you can apply a window film that will keep the cold air out and the warm air in.
5. Check under the home to ensure that there are no tears in the belly bag. If there are tears you can easily have them taped to ensure that there is no heat loss.
6. Be sure to disconnect your hose from the outdoor tap so that it does not freeze and cause a flood under the home.

Garden Club News

Greetings fellow gardeners! October brought us some warmer temperatures than September. Let's hope this autumn continues a little longer before we freeze over for the winter.

Evergreen Garden Club members got their autumn craft juices flowing during our October meeting. To celebrate the season, members were encouraged to dress up and prizes were awarded for the best costumes. Congratulations to Pat who was feline fine as a Leopard Queen and took home the first place prize. Some wreaths and centerpieces with a garden theme were designed and created. All craft supplies were provided by the Garden Club and our diversity was once again on display as everyone's project took on it's own personality.

Do you like gardening? Are you looking to make some new friends in Evergreen? It's time for you to check out the Garden Club. We accept members from 12-112 and we're always happy to welcome new people to the group, whether their interest is new or their gardens are the stuff of legends. Come learn and grow with us. Call or text Cori at 780-860-3582 or email our President, Margaret, at verhagenma@gmail.com.

Our next meeting would be a great time to check us out. On November 19th at 6:30 pm, we will be meeting at the Community Hall to bring a bit of summer into the Christmas season. Join us for coffee, snacks and bulb-forcing for blooms expected to pop open right around Christmas. All supplies will be provided, but if you have a container you'd prefer to use, you are more than welcome to bring it.

In the meantime, from all of us, to all of you, stay warm and dream of spring. It's never too early to start planning for next year.

Join the Club, meet new friends, share a few laughs, and go home feeling good.
