QUICK TIPS FOR CURB APPEAL!

SPRUCE UP OUTDOOR CONTAINERS.

Container plants add considerable interest to patios and doorways.

TOUCH UP THE MULCH.

Apply a fresh layer in all your garden beds. The color enhances the contrast of the surrounding plants and makes everything pop.

PLANT SOME INSTANT COLOR.

Seasonal color makes the landscape pop as well. Go for a splash of several colors or a more monochromatic scheme, whatever fits in with the look of your home.

GO GREEN.

Routine lawn maintenance will keep your lawn lush and green. Watering, fertilizing and keeping it trim are preventative measures to having a healthy lawn.

Evergreen Garden Club News

Greetings fellow gardeners! August was a scorcher! Did some of your plants wilt despite constant watering? Some plants just aren't cut out for extended days of hot, hot weather. Try moving them to a partial-sun location in late September and see if they do better next summer!

Our August meeting was a general meeting. Members completed a gardening knowledge quiz and then went on a tour of some of our members' beautiful yards. On-the-spot lessons were given and some new ideas were sparked.

Our annual BBQ was August 25th at the Youth Centre. For the first time in Garden Club history, our membership is too large to descend on one member's house. Members met at the Youth Centre and enjoyed hamburgers, hot dogs, and various delicious potluck items brought by our members.

Our September meeting will be held on September 17th at 6:30pm in the Community hall. If you'd like to join a growing group of local gardeners, we'd love to meet you. We've seen some beautiful yards out there and we know you've been thinking about it. Why not try us out? Call Mary at 406-5710 for more information.

Join the club, meet new friends, share a few laughs...and go home feeling good.

T.O.T.S.

TOTS is Evergreen's drop-in playgroup for kids age 0-5 and their moms or dads.

Join us every Wednesday from 10 am-noon for non-scripted play in our large hall. Snacks are provided for the kids and coffee / tea for the parents. Bring your kids out to socialize and come and meet some other Moms and Dads in the community!

This program is FREE and DROP-IN, so you can come any Wednesday you would like. We do ask that returning parents purchase an annual Community League membership for \$20 to show our thanks to the league for the free use of the hall.

So, if you are a mom or dad at home with the kids and want out, come on Wednesday to the Community Hall beside the store and check us out! We'd love to meet you.

The same small but enthusiastic group attend our last Scrabble Tournament on July 19th in the hall.

Let's try it again: **Thursday, September 13th at 7 p.m.**

Bring your board and join us! Cash bar open and \$5 anti is split between the top 3 players of the evening. Congrats to July's winners. The rest of us didn't even make a ripple in the pond, but it sure was FUN! Like words? Like hanging with crazy people? Like to have fun? We're the group for you!

Study your 2-letter words and bring \$5 to the hall for Round Three of the Evergreen Scrabble tournament. There will be three 45-minute games of round robin play. The 4 top high scores after the round robin games will play in a final for the winnings. Cash prizes go to the top 3 players. Cash bar will be open between rounds. Snack bar will be set up so bring something to share or just snack on what's there.

RR Auto your friendly neighborhood service station where the coffee is on and our licensed technicians are available to service your car or truck. Keeping your vehicle tuned up is a good way to save money at the pump and prevent costly repairs down the road. Tire changes and repairs Service to most cars and trucks. Call 780-472-9959 to book your appointment now, before you break down because after would be no fun.

The Tricycle Tour de Edmonton to Take Over Churchill

Community Leagues are known for their original events and this year's Community League Day Promotion is no exception. The Tricycle Tour de Edmonton will take over Churchill Square on September 12, 2012. The race invitation is extended to tricycle enthusiasts to show up at 12:00 pm for this media event that will have heats of 5 preschoolers (3 to 5 years) racing through a course lined with the names of Edmonton's 155 Community Leagues.

Edmonton City Council to launch this event full of fun, prizes, a hot dog lunch*, and coverage by local print and television media are on the agenda. *Also please note vegetarian options available

Please confirm your child's attendance. Volunteers also needed to help setup this event at 8:00 a.m. Valerie@efcl.org Last year we hosted the largest Croquet Game, and the year prior, saw Churchill Square blanketed with a super size 72 x 125 foot mosaic of fabric art representing the map of Edmonton and its Community Leagues.

Back to school safety

Alberta Health Services EMS would like to remind parents and students of some basic road safety tips as streets become busier with the return of the school year. Pedestrians and motorists each have an important role to play- road safety is a shared responsibility.

Motorists

- Avoid talking on cell phones, texting, or any other behavior that diverts your attention away from driving.
- Give right of way to pedestrians who have activated overhead crossing lights or who are waiting to cross from a street corner.
- Remember it is illegal to pass vehicles, other than those that are parked, in school zones or playground zones during posted hours.

Around school buses

- Flashing amber lights mean a bus is slowing down to stop. Motorists should do likewise.
- No matter which direction you are coming from, STOP when approaching a school bus with activated flashing red lights - unless the bus is on the opposite side of a divided highway from you.
- Driver courtesy goes a long way. By simply being alert and cautious when approaching a school bus, you are contributing to school bus safety.

Pedestrians

- Cross only at marked crosswalks or street corners that have clear visibility from all directions.
- Make eye contact with all drivers before crossing the street.
- When activating overhead crossing lights, pause before stepping off the curb to ensure motorists in both directions have come to a complete stop.
- Stay within the crosswalk lines until fully clear of the road way.
- Obey pedestrian lights at intersections. Cross the street only when you see the 'walk' sign and only when all cars have come to a complete stop.
- If you are with young children or pets, hold your child's hand firmly and keep a solid grip on leashes when crossing.
- Remember: children learn by observing you. By teaching them safe crossing habits as early as possible you can reduce the chance your child may be involved in a preventable auto/pedestrian collision.

The "fine print":

Evergreen Youth Centre offers drop in and registered programs and child must be able to walk home or be picked up immediately should the need arise. The Youth Centre is a drop-in facility and rules for the comings and goings of participants is strictly between parent and child. The Youth Centre is not responsible to monitor each child who attends it's programs. It is strictly an "at will" drop-in Centre, not a daycare facility.
