Meet Your Membership Director

Rayla!

A handwritten signature in purple ink that reads "Rayla!". Below the signature is a decorative flourish consisting of a series of connected loops.

"Hello Everyone, my name is Rayla and I am your new membership director! I am also the director over at TAFEY so I hope you don't get tired of seeing me and my always changing hair colour. I joined the EECA board this October and I'm excited to be even more active in the community. I lived in Evergreen for the first 15 years of my life, and even though I've moved away it still feels like home. This community has great potential and I can't wait to explore it even further during my time as the EECA membership director. I hope to sell a membership to all of your smiling faces in the new year!"
