Garden Club News

Greetings fellow gardeners! Well, it's over. Fall is officially here. If you've been thinking about a tree, consider buying it right now! Nurseries often have great deals in the fall and your tree will get a jump on the next growing season.

Growing your own fruit can be very rewarding! Consider apples, pears, plums or cherries for an Edmonton fruit harvest.

Our last meeting was September 15. We had a speaker from the Lily Society, Iain Evans. We learned how to propagate and care for our lilies and he had many of his own hybrids available for sale. Members learned a lot from this engaging speaker and went home feeling like lily experts as well!

Garden Club members invited the Seniors Club out to join them on an all expenses paid trip to the Muttart Conservatory at the end of September. They boarded a bus from right here in Evergreen and had a great time on the tour.

Do you think you might have enjoyed a lily speaker or a trip to the conservatory with people who really appreciate it? If so, why don't you join us? Our October meeting would be a great time to come down and get to know our vibrant group. Call Mary at [780-406-5710](tel:780-406-5710) for more information. Our next meeting is October 20th and will be a fall craft meeting. All supplies will be provided by the Garden Club. You just need to bring your smile and a love of gardening. Meet us at the Community Hall at 6:30pm for an evening of creativity.

Join the club, meet new friends, share a few laughs, and go home feeling good.

Halloween Safety

Alberta Health Services EMS would like to remind parents and trick-or-treaters of some basic Halloween safety tips, as October 31st approaches. Halloween can be an exciting time for children, but with the distraction of treats and costumes, safety rules can easily be forgotten. Take some time to review these simple tips and reminders to help ensure Halloween is a safe night for all.

Trick-or-Treaters

- Remember: all regular pedestrian rules still apply. Be sure to cross the road at marked cross walks, or well lit corners only. It is safest to work your way up one side of the street, and then cross once to the other side.
- Stay away from houses that are not well lit. Do not accept rides from strangers, or enter any home you feel is unsafe.
- Let your parents know where you are going to be at all times and advise them if you will be late returning.

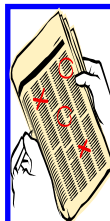

Parents

- Be certain that young trick-or-treaters are accompanied by an adult. Older children should stay in groups.
- Pre-determine boundaries to trick-or-treat within, and establish a firm time to return home.
- Advise children not to eat anything until they return home. Dispose of any items that appear to have been tampered with, or that are not properly wrapped.

Costumes

- Choose bright colored costumes that are highly visible. Adding reflective tape to costumes further increases visibility.
- Consider sending your children with a flashlight for additional safety and increased visibility.
- When purchasing, or making costumes, look for materials and accessories that are labeled flame-resistant.
- All costume accessories, such as sticks, rods, or wands, should be soft and flexible, with no sharp edges.
- Consider using hypoallergenic make-up kits instead of masks that may impair breathing, or vision.
- Be sure costumes are loose enough to be worn over warm clothing, but not so long that they become a tripping hazard. Costumes should not be longer than your child's ankles.
- Ensure your child is wearing adequate foot wear that takes into consideration weather conditions and walking.

Evergreen Seniors News

Hi, Have you got over the shock of having that snow in September? That was way to early, even the furnace kicked in, but not in the seniors hall. It was so cold in there they had to turn the burners and oven on in the mornings! It is hoped that they have fixed the problem before it gets cold again.

This is Halloween month and the Seniors Centre will be open at 5 p.m. to give candy to all the little ghosts, goblins, princesses and monsters. So come early as we get lots of kids! That's October 31st at 5pm at the Seniors Centre. See you there!

Evergreen Youth Express

Hello, Hello...

October 2014

Well, we've finished our first month of program with the Gentlemen of Evergreen and it was absolutely phenomenal! We began our program by handing out flyers to almost every house in Evergreen, we also handed out close to 100 DVDs. The reason behind the flyers and DVDs were two-fold: the first was to let the all the young men 12-17 that we have a sweet program available to them every Saturday from 3-10pm at the Youth Centre. The second was to let the community know about some of the great things going on at the Youth Centre.

Next, we had our official kick-off which began at the Community Hall until around 4pm, after which we went back to the YC for a NERF War (I was able to test out my new bow- it went quite well).

I think that the absolutely best activity of September was on the Friday the 26th; we did battle (NERF) with some old adversaries of ours, the Highlands Baptist Church youth group. Getting together with the group from Highlands is always a great time: the boys get to meet some other kids their age and it's a good was of interacting and getting to know some of the communities close to Evergreen!

October is looking like an exciting month as well, on October 4th and 5th, the Gentlemen of Evergreen will be working the Concession stand at the parking lot sale at Totem Outdoor Outfitter on 75th Ave and 99st, stop by if you can, the sale includes all types of snowboard/ski equipment, Hockey, Lacrosse and tons of other sports.

Our 3rd annual Haunted House is tentatively scheduled for November 1st, however, check our website facebook.com/gentlemenofevergreen for updates.

Thanks so much for reading, enjoy all the changing leaves and of course Thanksgiving!

3 Reasons Your Child Should Join [Dojo Arts Evergreen Karate Club](#)

1. Discipline

Almost every parent that thinks about putting their kid in a martial arts program thinks about Discipline. It is well known that martial arts teaches kids strong lessons in discipline. Every class kids learn the discipline to treat their instructors with respect by bowing, using titles such as Sensei, and by practicing kicks and punches to the commands of the instructor. Discipline is the basis of Dojo Arts and every student learns discipline that will help them practice as well as help them in day to day life.

2. Exercise

Between TV and video games, it is harder for kids to find a regular form of exercise. Dojo Arts offers a consistent schedule to

come practice and get in some good exercise for kids. We offer activities for kids to do on a regular basis during class and between classes. Exercise keeps kids healthy both physically and mentally.

3. Fun

Kids often see Karate in movies and television without ever knowing how fun the real thing is. Karate practice for kids has the same benefits and fun as an adult class but usually includes game-like activities to keep kids attention and give them fun activities every class. Most kids that join our classes love to come back everyday and cheer when it is game time.

Every child that starts taking Karate at Dojo Arts usually smiles with happiness by the end of their first class.

Call 780-413-8248 for more info. Classes held at the EECA hall (in the strip mall) Sundays and Tuesdays. Fees: \$40 per month (plus uniform and membership).

Parents: Please be reminded that there is NO supervision in the playground area except for a short time during EG After School on Monday, Wednesday & Friday. Access to the Youth Centre water, bathrooms or phone may be limited.
