Garden Club News

Greetings fellow gardeners! Summer came in June and stayed until August 22nd. Rain was scarce and the temperatures soared. If you weren't diligent with watering (and not all of us can be), some of your plants probably died. If you're looking for heat and drought-resistant blooms, look to annuals like potentillas, cornflowers or local grains and grasses. You can also choose perennials like daisies, delphiniums, and lilies. Want to expand your lily collection and not sure where to start? The Garden Club, that's where!

We have a speaker coming to give us all a lily lesson for our next meeting on September 15th in the Community Hall. Join us at 6:30 for coffee, tea, refreshments and The Lily Society's chosen speaker for us.

Our summer BBQ was a lot of fun. The weather on August 23rd was perfect: sunny and 20 degrees. Guests enjoyed steaks, drinks and sides at one of our member's houses. Some party games were played and garden-related prizes and jokes were handed out. Everyone left with a smile on their face, a full stomach, and something to remember the party by.

The Garden Club is taking their members to the Muttart Conservatory the last weekend in September. Members, contact Mary to ensure you are on the list to attend and non-members, maybe you should consider joining? We are an Evergreen Community supported program that meets once a month, year-round, for garden-related crafts, speakers and trips. Call Mary at 780-406-5710, or join us for our lily presentation September 15th for more information.

Join the club, meet new friends, share a few laughs...and go home feeling good.

**Back to
school safety**

Alberta Health Services EMS would like to remind parents and students about some basic road safety tips, as streets become more congested, with the return of the school year. Pedestrians and motorists both have an important role to play – road safety is a shared responsibility.

Motorists

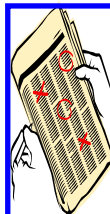

- Avoid talking on cell phones, texting, or any other behavior that diverts your attention away from driving.
- Give right of way to pedestrians who have activated overhead crossing lights, or who are waiting to cross from a street corner.
- Remember, it is illegal to pass vehicles - other than those that are parked - in school zones or playground zones, during posted hours.

Around school buses

- Flashing amber lights mean a bus is slowing down to stop. Motorists should do likewise.
- No matter which direction you are coming from, STOP, when approaching a school bus with activated flashing red lights – unless the bus is on the opposite side of a divided highway from you.
- Driver courtesy goes a long way. By simply being alert and cautious when approaching a school bus, you are contributing to school bus safety.

Pedestrians

- Cross only at marked crosswalks, or street corners that have clear visibility from all directions.
- Make eye contact with all drivers before crossing the street.
- When activating overhead crossing lights, pause before stepping off the curb to ensure motorists in both directions have come to a complete stop.
- Stay within the crosswalk lines until fully clear of the roadway.
- Obey pedestrian lights at intersections. Cross the street only when you see the 'walk' sign and only when all cars have come to a complete stop.
- If you are with young children or pets, hold your child's hand firmly and keep a solid grip on leashes when crossing.
- Remember: children learn by observing. By demonstrating safe crossing habits, you can reduce the chances of your child being involved in a preventable auto/pedestrian collision.

Hello, hello...

For anyone that doesn't know me, my name is Isaac Tyler, I'm one of the staff at the Youth Centre, I help to run the [Saturday](#) youth program for boys aged 12-17 from 3-10pm, aptly named the Gentlemen of Evergreen. A little bit about me: I am 24 years old, I am going into my fifth and (hopefully) final year of post Secondary Studies at the U of A, with a major Aboriginal Studies and a minor in History, I also compete on the Track and Field team in the High Jump. During the summer I work as a Helitack Firefighter for the provincial government and for fun I like to play sports and listen/play all types of music.

I work alongside my coworker and brotha, Adam Ward who has recently graduated from the University with a degree in secondary Education, majoring in some type of boring science and minoring in Mathematics (gross). As a volunteer and substitute for Adam and I, we have Tyler Atkinson, a former resident of Evergreen who attended the program for 3 years until he was 18 and decided to return as a volunteer. Tyler is apprenticing as a Cabinet Maker presently!

We also have my boss, Alice (of course) who needs no introduction: Alice takes care of all the paperwork and logistical stuff while we get to run around outside and play! All four of us are part of the planning process and work to bring the best possible program we can to the boys.

It's hard to believe but this is actually our fifth year of the program, I can't believe how fast time goes by! I'm so stoked to have all of our staff back for another year. Here is what our schedule is looking like for our first month:

September 6th

- Flyer Blitz
- Unofficial kick-off
- Fire
- Planning session

September 13th

- Block Party
- Official Kick-Off
- First NERF Session

September 20th

- Regular [Saturday](#) Format
- Main Event: CTF
- Fire

September 27th

- NERF Export: Gentlemen of Evergreen Vs. Highlands Youth Group

We have a great program and awesome staff and we're looking to make this our best year yet. We always need support from the community and there's a ton of ways you can help with that: we can always use financial support such as an extra bag of bottles you have kickin' around (we'll even come pick them up), you can visit and 'like' our Facebook page [Facebook.com/gentlemenofevergreen](https://www.facebook.com/gentlemenofevergreen), you can watch our videos at [youtube.com/gentlemenofevergreen](https://www.youtube.com/gentlemenofevergreen). Here's to another great year in Evergreen!

Isaac

Gentlemen of Evergreen

Our Apologies: August newsletter set our summer program wrap up party as Friday, Aug 22. Unfortunately, jumpy things were not available so party was moved to Thursday, Aug 21. Changes were posted to facebook. We're sorry if anyone was disappointed.

All Evergreen after school programming starts from right off the bus and includes an after school snack. Some programs are at the Youth Centre and some are hosted by the Youth Centre at the EECA hall. If you're not sure, stop at the Youth Centre first. If no one is there, there'll be a sign on the door. Programs are drop in in nature but require an up to date registration form on file. Call 780-413-8248 for details and watch for program notes in this publication each month.

NEW LEGO MANIA PROGRAM

Starts Tuesday, September 9th (end date October 28th) at the EECA hall.

Kids ages 5—12 who love lego. Come build with your buddies. Great way for kids to get together and just have FUN! Brought to you by TAFEY.

Uechi Ryu Karate and Kobudo Club

Offering fitness and personal security training for everyone from 4—104 since 2011.

Enrollment fee (\$110) includes membership in The Association for Evergreen Youth; 1st month instruction; ghi and safety gear.

Monthly fee thereafter: \$40 per month per student. Family discount may be available. Don't

live in Evergreen? Add \$5 per month to all fees. Fees a problem? Talk to us, we want to help!

Kobudo: Monday evenings (except 3rd Monday of each month)

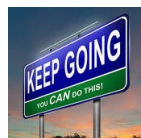

starts on Mon Sept 8th

Evergreen (EG) After School program restarts on Monday, September 8th. Come to the Youth Centre when you get off the bus and meet BGCBigs staff who will

be joining us every Mon/Wed/Fri for some after school FUN!

Tuesdays start off on September 9th with On the Right Track. Here's your chance to learn

some new things about yourself, meet new friends and gain important life skills! Thursdays bring you Incredible Edibles. Get your Junior Chef on as you learn to make a varie-

ty of simple yet tasty snacks that you get to EAT.
