A Message from Your EECA Board

Hard to believe the summer is half over already. The weather has been very interesting to say the least. Canada day went well. Fireworks were a blast. We just got them all done in time for the rain. Thank you to Al, Troy, James, Matt and all the security staff for making it a success.

August 13 brings our annual Evergreen Community Garage sale. A map with pre-registered houses is located inside the back cover so you can tear it off. A colour map is available on our website at www.eeca.ca under newsletters.

Our annual EECA Block Party takes place this year on Community League Day on September 17th. This is the perfect place to get your memberships renewed as they expire August 31st. If you need one before September 17th, please email memberships@eeca.ca. Volunteers would be great so if you can volunteer, please email Troy at president@eeca.ca

September also welcomes back our fall activities such as crib and darts. Watch the September Evergreen News for more details on exact dates.

A reminder that all EECA members are able to go swimming for free on Saturdays from 6pm-8pm at the Clareview Recreation Center. This cost is paid for by the Community Association so make sure you go and enjoy this opportunity.

Lets hope the weather stays nice for us to enjoy the rest of the summer.

Garden Club News

Greetings fellow gardeners! Are you harvesting some vegetables? Stopping to smell the roses? The summer is half over so make the most of what remains. Enjoy the fruits of your labour and soak up the warm evenings. A few pots of citronella plants in your backyard can help keep those pesky mosquitos away too.

Our last meeting was a general meeting as our trip to the Crop Diversification Centre had to be rescheduled. Members shared tips on bugs, seedlings, annuals and perennials over tea, coffee and refreshments.

Our next meeting will be August 15th at 6:30 pm at the hall. A speaker from the Horticultural Society will be hosting a presentation on Gardening in Small Spaces. Bring your questions and ideas!

Thank you to Glennis and the Executive of the club for hosting and putting on a fantastic Garden Club BBQ in July. "Did I draw the moon right?". The food was delicious and the games a lot of fun.

Do you have a yard worthy of awards, or do you baby a couple tomato plants on your deck? If you love growing things, the Evergreen Garden Club is the place for you. Join our vibrant group for trips, crafts and speakers related to green thumbery.

Email us at evergreengreenthumbs@gmail.com for more information or drop by one of our meetings at the hall. Everyone welcome!

Join the club, share a few laughs, make new friends and go home feeling good!

Green Shack playground program (ages 6 to 12)

Join in co-operative games, sports, crafts, music, theatre, nature, and imaginative play! This program runs Monday to Friday 10 a.m. to 1:30 p.m. Children under the age of 6 are welcome but must be supervised by a parent or guardian at all times. Find a calendar of planned activities posted on the side of each Green Shack each week. If there's a game you'd like to play, just ask the Program Leader!

All summer drop-in programs are led by staff who:

- Ensure participants play safely; parents are responsible for their children at all times and must be available in the event of an emergency.
- Have completed a Security Clearance process, are trained in First Aid and are certified specialists in FUN!
- Are easily identifiable by their t-shirts and name tags.
- May be assisted by a Leaders In Training youth volunteer. You will see many different summer staff in your Community Programs this summer. Everyone plays a slightly different role — to help you understand who does what, our staff will be wearing different coloured shirts. Please feel free to stop by and chat with any of them!

Weather Policy All programs are based outdoors. Participants should be prepared to be outside in any weather and have appropriate clothing, footwear, and other protection (hat, sunglasses, etc.). The programs may close during severe, inclement weather.

Sunscreen and Insect Repellent City of Edmonton program leaders cannot not provide or apply sunscreen or insect repellent. Please ensure your child understands how to use/apply both products before programs begin. You Might Like to Bring • Backpack/bag • Refillable water bottle • Allergy Aware snacks to eat • Weather appropriate clothing • Closed toe shoes; no sandals or flip flops • Hat • Sunscreen and insect repellent Please do not allow your child to bring items that have large monetary or sentimental value or that may be harmful to other participants.

Allergy Awareness A growing number of participants have serious food allergies. For their safety, please refrain from sending snacks containing: • Nuts, including peanut butter • Eggs • Fish
