Benefit Potluck Supper, Silent Auction and Dance Music by DeeDee and Family @ Community Hall Starts at 6:00 pm ~ Saturday, December 9, 2017

Dear community residents of the Evergreen;

There are 721 mobile homes in our beautiful Evergreen Community, and we have one family here in that is in **need of your help!**

This family has suffered a big devastating loss, they have lost their home due to a fire that happened Saturday, Nov 4th. With deep deep heartfelt sorrow for this family, a few of us got together and have sprung to action to unite and put on a community function. **We need your help** to make this a successful and profitable community spirited function.

If you wish to donate to this **great cause** you may do so by calling on of the **contacts listed below**. We would appreciate as much Community participation as possible, but realize this is busy time of year for everyone, if you are able to help us to **Assist this family** it would be greatly appreciated.

We will be accepting cash donations only, along with items that can be auctioned off in the Silent Auction.

If anyone wishes to **donate items towards the silent auction**- please give one of us a call by Thursday, Dec 7th and one of us will be able to pick up items.

Also, we are still looking for a few volunteers to help us out at this community event. **HOPING YOU JOIN US IN THIS COMMUNITY FUNCTION.** To make it a success for this wonderful family.

Hot Artichoke and Crab Dip

WHAT YOU NEED:

- 1 (8 ounce) package cream cheese, softened
- 1 cup mayonnaise
- 1 clove garlic, pressed
- 1 (14 ounce) can artichoke hearts in water, drained and chopped
- 1 1/2 cups cooked crabmeat
- 3/4 cup grated Parmesan cheese
- 1/3 cup chopped green onion
- 1/3 cup chopped red bell pepper
- 1 teaspoon ground cayenne pepper
- 1/2 cup dry bread crumbs

1. Preheat oven to 350 degrees F (175 degrees C).
2. Combine cream cheese and mayonnaise in a large bowl until smooth; stir in garlic. Gently stir artichoke hearts, crab, Parmesan cheese, 1/3 cup green onion, 1/3 cup red bell pepper, and cayenne pepper into cream cheese mixture. Transfer the dip to a 9-inch pie dish and sprinkle top with bread crumbs.
3. Bake in the preheated oven until crumb topping is golden brown and dip is hot, 20 to 30 minutes. Garnish with 2 teaspoons green onion and 2 teaspoons chopped red bell pepper.

Craft Corner - KIDS

Easy Homemade Snowman Craft

You Will Need:

- White sock
- Polyester stuffing
- Red Yarn
- Scissors
- Felt or foam (for eyes/ buttons)
- Orange pipe cleaner/ felt/ or orange paper (Nose)
- Craft glue

What To Do:

1. Put a small amount of stuffing in the sock and tie off to shape the head.
2. Add a larger amount of stuffing for the next Snowman section and also tie off. Bottom section will, of course, require the most stuffing.
3. After bottom is stuffed, you can just poke the end of the sock into the stuffing, as it will hold in place. You can cut a round, white cardboard base and glue snowman to base if you want a more secure bottom.
4. Cut about 6 pieces of yarn, 12 inch lengths and tie around Snowman neck for his scarf.
5. Cut pieces of felt or foam for eyes and buttons and glue in place.
6. Use whatever you have to make a nose. We took a small section of pipe cleaner and bent in half and glued this in place. A scrap of felt or even a piece of paper, colored orange will work also.

Cream Cheese Penguins

BE SURE TO HAVE AN ADULT ASSIST YOU WITH ANY CUTTING

WHAT YOU NEED:

18 jumbo black olives, pitted
1 (8 ounce) package cream cheese, softened
18 small black olives
Small Red Pepper

1. Cut a slit from top to bottom, lengthwise, into the side of each jumbo olive. Carefully insert about 1 teaspoon of cream cheese into each olive. Slice the carrot into eighteen 1/4 inch thick rounds; cut a small notch out of each carrot slice to form feet. Save the cut out piece and press into center of small olive to form the beak. If necessary cut a small slit into each olive before inserting the beak. Cut small thin sections of red pepper for the scarf.
2. Set a big olive, large hole side down, onto a carrot slice. Then, set a small olive onto the large olive, adjusting so that the beak, cream cheese chest and notch in the carrot slice line up. Secure with a toothpick. Add red pepper scarf.

Garden Club News

Greetings fellow gardeners! Winter came quickly and briskly this year. We hope you all had time to put things away before the freezing temperatures and snow blew in. Have you heard about the latest craze? Instead of Paint night, there are now places doing Plant nights. Go and have a few drinks with friends and create a personal terrarium. Google a Plant Night near you for some winter gardening with friends over the holidays and share your love of growing.

Our last meeting was a bulb forcing event. Kuhlmann's and the Garden Club provided members with bulbs and supplies to bring some blooms into our homes for Christmas. Does this sound like a fun activity for a chilly winter night? You bet it was! If you're interested in getting together with local gardeners for these types of get togethers', you should join the Club, too! Contact Cori at 780-860-3582 for more information.

It is with heavy hearts that we say goodbye to our President, Freida, and our Vice-President, Mary, as they both announced their resignations at our last meeting. Members, please consider taking on one of these positions for next year at our January AGM.

Our next meeting is December 18th at 5:30pm at the hall. Bring a potluck item and a wrapped, unmarked, garden-related gift for our crazy gift exchange! Hope to see you all there!

Join the club, meet new friends, share a few laughs, and go home feeling good.

CHRISTMAS TREE PET SAFETY TIPS

1. TINSEL

Avoid decorating with tinsel. If swallowed, tinsel can obstruct a pet's digestive system.

2. PLASTIC ORNAMENTS

Choose plastic ornaments over glass ones. Shattered glass ornaments can harm pets.

3. CHOCOLATE

Don't decorate with chocolate. That chocolate ornament may be adorable, but it's also toxic to pets.

4. STABILITY

Make sure the tree is stable. Curious pets can knock over a tree, causing harm and making a mess.

5. ELECTRICAL CORDS

Hide electrical cords. Cords can trip excited pets or electrocute pets if they chew on them.

6. CHEMICALS

Don't add chemicals to the Christmas tree water. Chemicals intended to prolong plant life may harm animal life.

7. PRESENTS

Don't put the presents out just yet. Inquisitive pets may try to open them ... and be disappointed when it's not for them.

The Associating for Evergreen Youth

A Message from Gentlemen of Evergreen

Hello hello everyone!

I must say, I am very sorry for the lack of updates from the Gentlemen of Evergreen lately. But, I am very happy to report that we have had another successful year so far; numbers are steady and consistent each week and amidst all the running, dodging, jumping and playing, the participants are enjoying themselves.

On Nov 4th, the boys made some delicious bannock that was... get this... wrapped around hot dogs and cooked over the fire. Needless to say, the Bannock-dog was a hit! Nov. 11 fell on a Saturday and we believed it was only right that we take the day off to acknowledge our men in women in service. Nov 18th we found ourselves cooking again: tacos this time. Every single boy in attendance contributed in some way to the creation of some delicious tacos. We all sat around the table and enjoyed our efforts. On Nov 25 we brought out the projector and played some life-size video games! December 2nd we will be heading out to Ada Boulevard to do some sledding in the ravine, something we always enjoy!

Can you believe that this is the 7th year of the Gentlemen of Evergreen? I thought that was a long time... Until you ask Alice Hobbins how long she spent serving the community. The Gentlemen of Evergreen is an amazing youth program, one of the last of its kind actually. It never would have happened if it were not for Alice having a concern for the youth of Evergreen. She worked tirelessly to make sure that they have a program and access to recreation and support. Alice, we cannot thank you enough for what you've done for the community. Because of how you uplifted Evergreen, so many lives were impacted positively and truly did make Edmonton a better place. Thank you Alice
