EVERGREEN COMMUNITY SKATING RINK

Public Skating will be allowed at the Evergreen Rink

As a result of the **Mandatory Restrictions** that were introduced to reduce the spread of COVID-19 in Alberta. These measures are in place until December 15th and do impact the way our Community League can operate our ice rinks. Below are listed the main changes to the way the ice rink will have to operate in the next three weeks:

- **“Only 10 people”** allowed on the ice at one time per ice sheet.
- Only free-skate activities allowed.
- No hockey, including pick-up games and shinny, or organized sport on the ice. [This is because according to the restrictions sports at all levels must cease for the next three weeks] This will be observed and check on by EECA Board Members.
- **Skate shack and indoor amenities like bathrooms are closed.** [This is because the restrictions require Community Leagues, to close for in-person services.]
- All Community Leagues are aware of the current guidelines and restrictions. Community Leagues are not permitted to run events or programming on their ice rink [again because the current restrictions prohibit Leagues from providing in-person services at this time].

Skates and Helmets are mandatory and not available to due to Skate Shack being closed you must supply your own.

Check our Facebook at <http://www.facebook/Evergreen Community> for updates.

Due to COVID 19 the maximum number of people on the Rink for Public Skating is 10 and there will be “No” Shinny until further notice!

“Wearing of Mask” is mandatory!! And “Social Distancing” rules must be followed !!

Restriction and Implications for Community Leagues

Relevant listed restrictions and their implications for all Community Leagues. This is the full list of restrictions for EECA Community Members:

- Effective immediately **indoor social gatherings are not allowed.**
- **Outdoor social gatherings are limited to 10 people** and must not have an indoor component.
 - Leagues can have Community Members gather in their outdoor spaces in groups of ten or less. However, Leagues are not permitted to run events at this time.

Effective immediately Community Centres are closed for in-person services.

- Community League **cannot operate** any in-person indoor amenities including for rentals and League programming.
- ✦ EFCL strongly recommend that Board meetings online.
- ✦ The EFCLs interpretation at this point is that RINKS can remain open for spontaneous/free **use up to 10 people**, but Leagues would need to monitor this limit. This would be for free skate only, **as sports activities are not currently permitted**. EFCL is seeking clarification from AHS about this and will update us if there are changes to this. Do note that **sports programming** is currently prohibited unless an exemption is granted by the Chief Medical Officer of Health.
- ✦ Effective immediately **no festivals or events can occur.**
