Dandelion Facts

- The dandelion is the only flower that represents the 3 celestial bodies of the sun, moon and stars. The yellow flower resembles the sun, the puff ball resembles the moon and the dispersing seeds resemble the stars.
- The dandelion flower opens to greet the morning and closes in the evening to go to sleep.
- Every part of the dandelion is useful: root, leaves, flower. It can be used for food, medicine and dye for coloring.

Evergreen Seniors News

Summer Quote

“Spring flew swiftly by, and summer came; and if the village had been beautiful at first, it was now in the full glow and luxuriance of its richness. The great trees, which had looked shrunken and bare in the earlier months, had now burst into strong life and health; and stretching forth their green arms over the thirsty ground, converted open and naked spots into choice nooks, where was a deep and pleasant shade from which to look upon the wide prospect, steeped in sunshine, which lay stretched out beyond. The earth had donned her mantle of brightest green; and shed her richest perfumes abroad. It was the prime and vigour of the year; all things were glad and flourishing.

Charles Dickens, Oliver Twist

We extend an invitation to all Seniors, please come join us through out the summer, week days from 9:00 AM until noon.

And Wednesday evenings from 7:00 PM to 9:00 PM. Please check calendar for schedule of events.

Evergreen Garden Club

July 2019

Greetings fellow gardeners! Happy summer from all of us at the Garden Club. As the long days surrounding the solstice pass by, night owls and early birds alike are finding many hours of light to spend in their gardens. When you're prowling about, admiring your creations, don't forget to dead-head and fertilize. Dead-heading means removing old blooms that have passed their prime. This encourages new buds to form. What to fertilize with is a hotly-contested topic, but anything is better than nothing. Too much fertilizer can burn a plant, so ask your local greenhouse which fertilizer would be best for your plants, and follow the directions on the packaging carefully.

A huge **THANK YOU** to all of you who purchased plants, crafts and raffle tickets from our tables at the Spring Fling. Our sale was a huge success and will allow us to continue to enjoy trips, speakers and crafts as well as bring you a giant sale every year.

Our lucky raffle winners were:

First:	<i>Large blooming container</i>	Ruby Piché
Second:	<i>Metal sunflower decoration</i>	Tammy Beach
Third:	<i>Solar light tree / Wind chime</i>	Stacy LaRose

These prizes and the inexpensive plants you purchased would not have been there without donations from our local businesses. We truly live in a wonderful community. Kuhlmann's, Brenneis, The Root Seller, Riverbend, Arrowhead, Visser's, Lowe's and Giant Tiger all made significant donations to our Spring Fling. Thank you to all of them for their support and generosity.

Our next meeting will be July 15. It is time for our annual container contest! Which Garden Club member has designed, pruned and primped the best arrangement? We are all dying to know and the competition is fierce. The judging is done by an outside party and we will enjoy a tour of the winners during the meeting. Bring your walking shoes or your car and we will go admire the work of our friends. Want to see some amazing creations and yards right here in the Community, and meet some Garden Club members as well? This would be the perfect meeting to visit. Join us at the Community Hall in the Strip Mall, at 6:30pm. We'd love to meet you.

Call or text Cori at 780-860-3582 for more information about the Club and how you can be a part of it.

Join the club, meet new friends, share a few laughs, and go home feeling good.

**If you would like to sell your home please give us a
call! We would love to help! Don't wait!!**
