# Garden Club News

Greetings fellow gardeners! May started out boiling hot but ended up a little more subdued. As usual, around May long weekend there were a few nights of frost and some cool days where the mercury didn't get much above 10°C. You can always count on Alberta weather to remind you once more of winter before heading into the summer months. June is expected to be warm and dry again, so let's all hope for less forest fires and more good days in the garden.

Our last meeting was May 16th. Garden Club members got together to make moss gardens. The Club provided all the supplies and moss needed to make some adorable creations. Bored? Lonely? Love growing stuff? Maybe YOU should join the Garden Club, too! Email [evergreengreenthumbs@gmail.com](mailto:evergreengreenthumbs@gmail.com) for more information. Your Community League membership (\$10) and your Garden Club Membership (\$10) are all you need to embark on an entire year of horticultural adventures with like-minded neighbours!

Our Secretary, Sherry Mierau, is an avid African Violet grower. In May she entered a major event in Calgary. Of the four plants she submitted in the African Violet Society of Canada's Convention and Show, she won 3 blue ribbons, 1 red ribbon, and a Best in Show. Congratulations Sherry, we're proud to have you as a member of our club!

Our next meeting will be June 20th at 6:30pm at the Community Hall. We will be announcing the results of our annual container and flower bed contest which will be judged by the Horticultural Society. Wear your walking shoes because after the winners are announced, and prizes handed out (Gift Certificates from Kuhlmann's!), we will be doing a tour of the winning entries. Vehicles will be available for those with limited mobility but the option to walk between homes will also be available.

Join us May 28th for Evergreen Community's Spring Fling and our HUGE PLANT SALE! We will have hundreds of annuals and perennials for sale at rock-bottom prices. Make sure you save some room in your vegetable gardens, flower beds and containers because you will not find a better deal. Stop and visit with our expert gardeners about your garden, your plants, or your horticultural dreams - we'd love to chat with you. If there's one thing Garden Club members never get tired of, it's talking about plants! This sale is how the Club affords to do so many amazing things for it's members and we couldn't do it without you. Thank you for your continued support.

Join the Club, meet new friends, share a few laughs...and go home feeling good.

## Things are Changing at Evergreen Youth Centre

A couple of things you may not know about Evergreen Youth Centre:

We are in no way connected to Parkbridge OR to Edmonton Evergreen Community Association.

We are a registered charity with the ability to issue tax receipts for cash donations.

Most of our programs are of a drop in nature which means we can not force your child to stay with us for the duration.

Over the past few years numbers of kids using the Youth

Centre have declined to the point where a huge chunk of the funding required to operate has been withdrawn.

If your children do not use the Youth Centre, what are the things that prevent them attending?

What does Evergreen Youth Centre mean to you and your family?

Serving the children and youth of  
Evergreen since 1996

Is coming!

Watch for the Green Shack and  
the Summer in the Park programs  
(both starting July 4th)
