Garden Club News

Greetings gardeners! This season is a scorcher! Don't let your plants dry out. If you have containers the hot weather can be especially hard on them, make sure to water them until water runs out the bottom, and if you can, move them from the south side to an east or west side so they don't have direct sun all day. If you don't always have time to water, consider some drought-loving varieties of perennials to fill your beds. Lilies, ribbon grass, seedums, coneflowers and many more thrive in hot and dry conditions. Speak to someone at the greenhouses for new ideas.

Our last meeting was mostly preparation for the Spring Fling. Our next meeting will be June 15 at 6:30 at the community hall beside Happy's. Put on your creative hats and join us for some terrarium planting. The Garden Club will provide some succulents and containers. Members are encouraged to bring small items to decorate or brighten their terrariums.

Your \$10 annual membership to the Garden Club means you would meet once a month for garden-related crafts, trips, speakers and games. You'll also meet at least 30 people in your community! So, if you're new to the park, or have been meaning to join our club for a while, why not enjoy the air conditioning June 15 and see what we are all about. See you there!

Dojo Arts Evergreen Uechi Ryu Karate Club Summer Program

The Association for Evergreen Youth and volunteer Sensei Ryan Haywood announce our summer karate session starting June 2nd. Every Tuesday in June, July and August Group Qi at 6:30; Karate at 7:30; & Kobudo at 8:30. Spaces limited. Registration forms available NOW at the Youth Centre.

Hello, hello...

I hope everyone is enjoying this absolutely incredible weather! The Gentlemen of Evergreen have been out in full force: ultimate frisbee, football, NERF, you name it!

On May 9th we were lucky enough to snag some \$10 tickets to Galaxyland in West Edmonton Mall where we rode the rollers coasters and bunch of other rides.

On May 23rd we visited What The Truck Edmonton?!

On May 29th there's a 'Capture the Flag' show-down against Highlands youth group on our turf. Needless to say, we must hold our own and defend our territory.

June is our last month of regular program. We'll have more information on things to come as we get closer to that date.

The first Saturday in June (the 6th), we are heading to LAUNCH PAD, the trampoline park, and using the gift certificate we received from The Association For Evergreen Youth (TAFEY) and Edmonton Evergreen Community Association (EECA) in recognition of our volunteering throughout the year.

Remember to check out our Facebook Page for more information

facebook.com/gentlemenofevergreen. We update it weekly!

Enjoy this incredible weather, that's all for now!

Physical activity is part of every day at Evergreen Youth Centre.

With summer approaching, Emergency Medical Services (EMS) would like to encourage parents to ensure their backyard play areas are made safe. Direct supervision is the best method to reduce the chance of injury. It is also prudent to ensure play equipment in your yard is suitable for the age and skill of the children using it. Don't forget to check the equipment often, and repair any worn, or broken parts. Set up play equipment on a shock-absorbing surface such as sand, wood chips, or pea gravel. Grass may not adequately cushion a fall.

Water hazards

- Ensure all backyard swimming pools are fenced. The fence should be at least 1.5 metres (5 feet) high and have a self-latching, self-closing, lockable gate;
- Drowning contributes to unintentional injury-related death among children ages one to four;
- Children can drown in just a few centimetres of water, if it covers their mouth and nose.

Lawn and garden tools

- Keep young children away from outdoor power equipment. Serious burns may result from touching hot engine surfaces;
- Ensure that all tools, fuel, chemicals, and other hazardous substances are stored in a secure, locked area. A simple latch may not be sufficient.

Insect bites and stings

- Minimize the risk of attracting insects by not wearing strong perfumes or scented lotions;
- Avoid wearing brightly coloured clothing outdoors;
- Consider destroying, or re-locating hives and nests situated near your home;
- To avoid a bite in case of accidentally stepping on a stinging insect ensure your child wears shoes, or sandals;
- If your child has received an 'EpiPenJr' prescription from your physician, (for serious anaphylactic emergencies only) ensure they understand when and how to use it;
- If your child experiences a severe reaction to an insect sting, seek medical attention, or call 9-1-1.
