Irish Blessing

May the road rise to meet you
May the wind be always at your back,
May the sun shine warm upon your face.
And rains fall soft upon your fields.
And until we meet again,
May God hold you in the hollow of His hand.

EDMONTON CART ROLL OUT!

In spring 2021, how we sort, set out and collect waste is changing! All single unit homes and some multi-unit homes that currently receive residential curbside collection will be transitioned to a new automated cart collection service. These residents will use carts provided by the City of Edmonton to sort and set out their waste instead of placing bags at the curb. Each residential unit registered with Waste Services will receive a set of waste carts (one garbage and one food scraps cart).

Cart Delivery

Starts on **March 15** and ends on **April 10**; You will receive your new carts between these two dates.

Cart Collection Service

Starts the week of **April 13**

Do not set out your cart for collection before this date.

The new system includes four collections:

Food Scraps: collected weekly from spring to fall, and every 2 weeks in the winter, using a cart provided by the City. *If you have spare room in your food scraps cart, you can top it up with yard waste as long as the lid can be fully closed*

Recycling: Collected in blue bags all year round on a weekly basis. There are no changes to recycling collection

Garbage: Collected every 2 weeks year-round, using a cart provided by the City. Once you get the hang of sorting out your food scraps, yard waste and recycling, you'll find that you have less garbage.

Yard Waste: Collected twice in spring and twice in fall in clear plastic bags or double-ply paper yard waste bags and/or bundles wrapped in biodegradable twine. *You can also top up your food scraps cart with yard waste or take it to an Eco Station for free between seasonal collection days.*

You can more in on this link: https://www.edmonton.ca/programs_services/garbage-recycling-waste.aspx
