# Garden Club News

Greetings fellow gardeners! The fall has been warm and maybe you've been lucky enough to protect your plants from a couple nights of frost and have had blooms into the end of October. Cover your perennials with the leaves you rake up, it will protect them from very cold temperatures and help to soften the soil. Cut back any remaining dead stems to a few inches above the ground. It won't be long before the snow comes, so do it now before it's too late.

Our next meeting will be November 17<sup>th</sup> at 6:30 pm at the Community Hall. Join us for a Christmas craft with garden-related themes.

Our last meeting was on Monday, October 20<sup>th</sup>, and was our fall craft meeting. Members created some fall crafts and had a good garden gossip.

It was wonderful to have some of the Senior's Club accompany us on our trip to the Muttart Conservatory at the end of September. Thank you for coming, we really enjoyed your company!

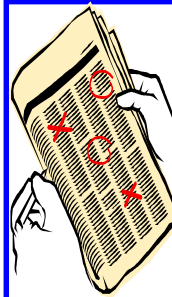

The Evergreen Garden Club is a great place to meet people. This group of gardeners ranges from the novice to the expert and everything in between. We meet once a month for garden-related speakers, activities, crafts or trips. We participate in community events. We swap seeds, plants and trade secrets. We create, laugh and learn together. Call Mary at 780-406-5710 and sign up today!

**Join the club, meet new friends, share a few laughs...and go home feeling good.**

## We Remember...

Here at the EECA, we remember all those who currently are defending our country and freedom or have in the past. Events in October show that we are just as vulnerable to events that many of us only thought happened in other countries. Because of these brave souls, we can call our country safe. We thank all those who are serving or have served and will never stop appreciating all you gave.

# *Evergreen Seniors News*

Hi. Well summer is over and we are having a beautiful colourful fall. I don't know about you but I think it's the loveliest season of all. We had our Halloween night at the seniors hall and it was successful again. I would like to thank the seniors for making our barbeque a success. We are hoping that all you seniors will think about the long dark cold evenings that are ahead of us. Join the Senior's where it is warm and friendly. The members we have are a great crowd and you would be made very welcome. Look at our calendar for events!

### Yielding to Emergency Vehicles

Time is the enemy in any emergency. You can help EMS, police and fire get to the scene quickly and safely by following the rules of the road. It is important for motorists to understand how to safely yield right of way to emergency vehicles with lights and siren activated, so that everyone stays safe.

#### What to do when an emergency vehicle approaches with lights and siren activated

- If you're in the middle of an intersection when an emergency vehicle approaches with lights and siren activated, safely clear the intersection.
- On a one or two lane road, motorists should move to the right side of the road, slow down, and then stop. Remember to signal.
- On a road with three or more lanes, motorists should move to the nearest side of the road and stop. If driving in the centre lane, move to the right side of the road and stop. Remember to signal.
- Come to a complete stop and wait for the emergency vehicle to pass. Shoulder check for more emergency vehicles (there is often more than one) before re-entering traffic flow. Remember to signal.
- Remember, emergency vehicles may need to use any available road space to maneuver. This may include the use of shoulders and left hand turning lanes to pass other traffic.

#### While driving on the road

- Drive attentively and defensively at all times. Be cognizant to sirens of emergency vehicles and be prepared to yield the right of way.
- It is the law for motorists to slow down to at least 60 km/hour (unless a lower speed is posted) when driving past an emergency vehicle which is stopped.
- Do not break the rules of the road in order to give right of way to an emergency vehicle. This could include proceeding through a red light or making an illegal turn. Actions such as these jeopardize all motorists in the area.
- Driver attention must be directed towards the roadway & safe operation of the vehicle in which they are driving, at all times.
- Always leave plenty of space between your vehicle and an emergency vehicle should in need to stop suddenly.

## Dojo Arts Evergreen

On Sunday, October 12th, Dojo Arts Evergreen Uechi Ryu Karate and Kobudo Club was honoured by a visit from Masters Satoshi and Kenta Kinjo directly from Okinawa Japan. We can not express the impact of this unprecedented visit will have on our students. What an honour to learn some katas directly from the Masters. Thank you so much,

Sensei Doug Smith for introducing us to your honoured friends.

On Saturday, October 18th, several Dojo Arts Evergreen students attended the Master's Fund Special Tournament in St Albert. Sensei Manuel DeSa allowed our students

to compete for the first time ever.

Congratulations to Mary, Kaylee and Orlando who all brought home medals that day. A great job was done by all participants.

Our own Dojo Arts Invitational Tournament is coming up November 29th. Bow in at 9 a.m.

...in a safe and supervised environment. Enjoy an after school snack. Make friends, be creative and have FUN!

The Gentlemen of Evergreen have had an incredible fall thus far; warm days, 12+ boys every Saturday and some new games! On October 4th and 5th Dylan, Tyrus and Dustin volunteered to work a concession stand at Totem Outdoor Outfitters annual Ski and Snowboard sale, we're very grateful to Totem for providing all of the supplies and allowing our

group to keep 100% of the profits as well as a donation. Additionally, we're very proud of the boys for giving up their weekend to give back to the program—all in all it was a great success!

October has been extremely successful in terms of numbers, on October 18th, we had an impressive 16

## *Hello, hello!*

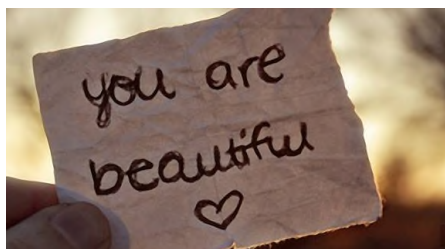

boys show up for program, the increase in numbers has been very encouraging to Adam (who just got back from Europe on the 5th), Alice and myself. On the 25th the boys volunteered at the Fall Carnival, which is always a big success in Evergreen.

Our big community event for November will be our third annual U12 NERF Tournament: this is a chance for the kids 12 years and under to come out to the Youth Centre, see what we do on Satur-

days and interact with some of the youth in the community. This event will be held on November 29th, from 4:30—7:00 and is \$5/ participant, all equipment as well as a snack will be provided.

Enjoy your November everybody! The snow is on the way but I have a simple equation that helps a bit: Snow= Christmas is almost here. Take care!

Isaac
