Why do People Come to Us? We Know Your Community!

A Message from Your EECA Board

November has come so fast this year. We are happy to say the skate shack renovations are progressing. We have the new deck in, new bathrooms are rouged in, new lighting inside, new electrical panel, new paint on the outside of the rink and a new roof on. Still more work that will complete this month and we hope to be ready to get started in early December on making the rink, weather dependent of course.

Speaking of the skating rink, this year we have two of our board members who are going to volunteer to make the ice and maintain it to save us some money! We still need to hire our shack supervisor and our helpers. If you are interested in working at the shack part time, please send your resume to info@ee.ca before November 20th.

The Seniors will be hosting their Christmas in November on November 28, 2015 at 10 a.m. in the community hall. Make sure you get there early to get the baked goods as they go fast.

Our Thursday night drop in crib tournaments are going good. We are always looking for more players so come down and join in on Thursday nights at 7pm. A \$5 event charge is in effect so bring your \$5 and your quarters!

Free swimming is available for all EECA Members at Clareview Rec Centre from 6-8 p.m. Saturday nights. All you need is your membership card!

Don't forget to sign up with Alice for the kids Christmas party in December. Information is here in the newsletter.

Remember to bundle up your kids on the cold days. The weather is changing and frostbite comes easy.

Garden Club News

Welcome Gardeners. By now most of you will have your gardens put to bed for the winter, courtesy of reasonably fine weather and, during the confining winter months, will no doubt come across something on TV or in a magazine that inspires something mindful for next spring.

Our October meeting was postponed for a week due to the Federal election occupying the Community Hall, but the deferral did little to deter the spirit of Halloween, with it's witches and other fanciful dressed up weeds, making seasonal indoor/outdoor arrangements, with the props provided.

The club's next meeting, November 23rd, will be devoted to Christmas or de-cou-page, for next spring's preparations and the final meeting of the year, December 21st will host the member's anual pot luck supper and Chinese gift exchange. All gifts to be garden related and within the suggested price range of \$15.00 to \$20.00.

Join the club, make new friends and go home feeling good.

Date: Saturday, December 5th

Time: Noon—4 p.m.

Hello, hello everybody!

Wow, we really couldn't argue with the October weather that we received, what an incredible month! Soon enough it'll be Christmas season. The Gentlemen of Evergreen got up to our usual activities: tons of sports, NERF and cooking.

Some Highlights:

October 3rd: Gentlemen of EG operate the concession stand at Totem Outdoor Outfitters, earning a total of \$530 for the program. Big thanks to Totem for providing all of the supplies.

October 24th: Gentlemen of Evergreen volunteer with setup and cleanup of the Halloween Howler that took place at the Community Hall. What a spooktacular time!

We're still seeing consistent numbers of participants every Saturday and newcomers are always welcome! As long as the boys are between the ages of 12 (or in Grade 7) and 17! For more information, please please please take a look at our website

facebook.com/gentlemenofevergreen

The gentlemen of Evergreen would also like to extend their condolences to the Boyko family in this time of sorrow. Chris was an absolutely incredible athlete, friend and great person to have around the youth centre, his enthusiasm was infectious and he will very greatly missed by everyone.

EG After School

EG After School provides an atmosphere in which ALL participants are welcomed, supported and valued. The Program provides a safe, stimulating environment in which all children are able to develop and enhance a positive concept of their unique selves. The Program believes each participant is a unique individual who will develop to his/her potential. We believe the developmental childhood years are extremely important to increase social and emotional skills via play based programs to help prepare them for the future.

Some goals of the EG After School Program are to:

- Provide a variety of activities including opportunities to develop and enhance the skills required for healthy child development such as large and small motor skills, cognition and social skills.
- Promote individuality, positive self-concept and respect for other people and their uniqueness.
- Provide a quality environment that is positive, nurturing and supportive.
- Encourage participants to develop effective communication skills and appropriate ways of expressing feelings in order to develop strong positive relationships with their peers.

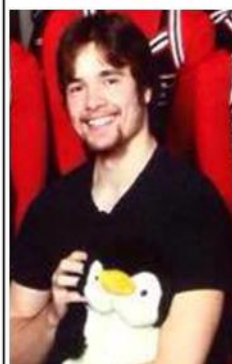

- Promote healthy lifestyles for participants by providing supplemental snacks that meet Canada's Food Guidelines and by teaching self care skills that promote proper personal care and hygiene.

Way Cool Cooking School

This program is full and the kids are having an amazing time and making some pretty tasty dishes!

The Association for Evergreen Youth mourns the loss of one of our own, Chris Boyko. He was truly an Evergreen kid for life and our hearts go out to his family and friends.

We also offer our

sincerest condolences to the family and friends of our Summer Program Leader Evan Tran. Lost way too soon.

Thank you, Miss Judy for bringing Yoga to Evergreen kids for the past 8 weeks. If you are interested in another round with Miss Judy, sign up at the Youth Centre and we'll see what we can do.
