WE NEED YOU!!!

Bingo and Casino events provide the funds to allow Evergreen Community Association non-profits to continue offering programs and events to the residents of Evergreen Community.

If you attend programs or events put on by the Community league, EECA needs you!! Contact Troy: president@eeca.ca or 780-935-9611 to help.

Next EECA Bingo Day

Monday, November 7, 2016 - AFT/EVE- Fort Road

Sunday, November 20, 2016 - AFT Kensington

Next TAFEY Bingo Day

Thursday, November 1, 2016 - AFT/EVE - Fort Road

*If your children participate in programs or events at the Youth Centre, Al needs YOU!!
Call 780-413-8248 to volunteer to help.*

Consider volunteering to help with this or in any other capacity. No contribution is too small or goes unnoticed!!!

**Our hall is available to rent. Only \$450 for the weekend with bartender.
Call Sharon at 780-782-7653, email hallrentals@eeca.ca
or visit www.eeca.ca for more details.**

A Message from Your EECA Board

The weather is changing and as much as we enjoyed the short summer, the time for the colder season is coming. Toques, mittens, scarves, boots, snow pants and warm winter coats are a must for our children. Too often we see kids at the bus stop or playgrounds without these and they really are the ones that pay for not having them. Keep our kids safe as they don't know when it's time to warm up!

Speaking of winter, cleanup of the rink has started and preparations are in place for another great skate season. We are hoping to open as early as possible but remember, it takes a couple weeks of flooding to get the ice to a depth that can be enjoyed by all so please try and stay off till we officially open! Resumes are still being accepted for local residents wanting to be employed as part-time rink helpers. A lot of time on this job is spent helping children with putting on their skates and keeping the shack, stairs and rink cleaned off during operations. Shifts will usually be from 4-8p.m. Send your resume to facilities@eeca.ca

Did you know that we do approximately 1-2 bingo's a month as volunteers? Volunteers are always needed for these bingo's as they help bring in funding to our Community Association which in turns allow us to run programs and events.

Speaking of programs, Crib started up again. Come visit us at 7 p.m. in the hall Thursday nights. A membership is required for all community league programs. You can email membership@eeca.ca or visit Troy at the hall bar during Darts on Wednesday nights after 7p.m.

Some news to pass on since we are getting a lot of inquiries. Two big events this year will not be happening. The seniors will not be having their Christmas in November event this month. We thank all those that have participated in the past. As well, the annual New Years Eve party every year will not proceed. Thank you to all those that have participated and helped in the past. Please note the hall is not available for rent on new years eve.

Remember to sign up for the Kids Christmas party with Alice at the youth centre by November 25, 2016. If you are not signed up, you will not be able to attend.

As well, remember to check your heat tape and make sure it's working along with changing your furnace filters! It's that time of year and we have a tendency to forget until it's too late. If you haven't already, change your batteries in your smoke detector. We want our community members to be alert at all times.

Have a great November!

Saturdays 6-8 p.m.

Garden Club News

Greetings fellow gardeners! Where did fall go? It seems we've been thrown into winter a tad quickly this year, with heavy snow falling before the leaves turned. Suddenly winters can be difficult on your "tender" perennials, so count on a few plants not making it through the year. The ground isn't frozen yet though, and if you pick up some bulbs right now, you can still pop them in the ground for some lilies, tulips or crocuses in the spring. Talk to your local greenhouse about the bulbs they have in stock.

Our last meeting was October 24th. Members made fall-themed wreaths and enjoyed their annual Halloween costume contest. Our next meeting is November 21st at 6:30pm at the hall and we will be "forcing bulbs" to bloom for the holidays. There's nothing like an injection of summer fragrance to warm your heart as the days get shorter.

Do you enjoy growing things? Come grow with us! Email evergreengreenthumbs@gmail.com for more info on the club that's been encouraging gardening in Evergreen for over a decade. Join the club, meet new friends, share a few laughs, and go home feeling good.

Yielding to Emergency Vehicles

Time is the enemy in any emergency. For everyone's safety it is important for motorists to understand how to correctly yield right of way to emergency vehicles with lights and siren activated. You can help EMS, police, and fire get to the scene quickly and safely by following these rules of the road.

When an emergency vehicle approaches with lights and siren activated:

- If you're in the middle of an intersection when an emergency vehicle approaches with lights and siren activated, safely clear the intersection.
- On a one or two lane road, motorists should move to the right side of the road, slow down, and then stop. Remember to signal.
- On a road with three or more lanes, motorists should move to the nearest side of the road and stop. If driving in the centre lane, move to the right side of the road and stop. Remember to signal.
- Come to a complete stop and wait for the emergency vehicle to pass. Should check for more emergency vehicles (there is often more than one!) before re-entering traffic flow. Remember to signal.
- Emergency vehicles might use any available road space to maneuver. This could include the shoulders or left hand turning lanes in order to pass other traffic.

When operating a vehicle:

- Drive attentively and defensively at all times. Be cognizant to sirens and be prepared to yield the right of way.
- It is Alberta law for motorists to slow down to at least 60 km/hour (unless a lower speed is posted) when driving past a stopped emergency vehicle. This includes EMS, police, fire, and tow trucks with their lights activated.
- Do not break the rules of the road in order to give right of way to an emergency vehicle. This could include proceeding through a red light or making an illegal turn. Actions such as these jeopardize all motorists in the area.
- Drivers must place their full attention on the roadway and toward the safe operation of their vehicle at all times. The fine for distracted driving in Alberta is \$287.00.
- Always leave plenty of space between your vehicle and an emergency vehicle should it be required to stop suddenly.

RR Auto, your friendly neighbourhood service station where the coffee is on and our licensed technicians are available to service your car or truck. Keeping your vehicle tuned up is a good way to save money at the pump and prevent costly repairs down the road.
