GARDEN CLUB NEWS FOR FEBRUARY

Greetings fellow gardeners! January has been such a mild month, a real reprieve from the bitterly cold November and December we all endured. Instead of snow we saw rain!

With Valentine's Day coming up, consider buying your sweetheart something a little different. How about some packets of seeds or a blooming houseplant, or even a gift certificate to a greenhouse? Flowers planted in dirt last a lot longer than those in a vase!

Our January meeting was our Annual General Meeting. Events for the year were decided and a new executive named! Please welcome:

President – Shirley Van Dorn

Vice President – Mary Avison

Treasurer – Josanne Thiessen

Secretary – Sherry Mierau

Events Coordinator – Mary DeJong

Pat King will continue to be our “phoner” to remind the members of the meetings coming up, and Cori Ramsay will continue to do this article in the newsletter every month.

For our February meeting, members will meet at the hall on February 17th at 6:30pm for our annual seed exchange.

Have you recently moved to Evergreen

and are wanting to meet some of your neighbours? The Evergreen Garden Club is a great place to do that! Come on down on the third Monday of the month and meet the gardeners just down the road from you. For more information, please call Mary at 780-406-5710.

JOIN THE CLUB, MEET NEW FRIENDS, SHARE A FEW LAUGHS...AND GO HOME FEELING GOOD.

Evergreen Seniors News For February

We wish you all a very Happy and Healthy New Year.

Now we can look forward to a spring and working in the garden, if we can get rid of all the snow! Well we know it will go.

We are already making plans for our Annual Bake Sale on April 12th 2014, so watch in future newsletters for advertisement. It will be as great as always.

We would like to thank Chef Denis again for a wonderful omelette breakfast. **Job well** done to Denis and his helpers! We all enjoyed them tremendously!

On the 12th February we will be having a Chili supper and hope to see all the seniors there.

Calendar for February:

5th February	Meeting & Bingo	7 pm
12 February	Chili Supper & Bingo	
19th February	Bingo	7 pm
26th February	Crib	7 pm

Evergreen TOTS

(Time Out To Socialize) program is a FREE* drop-in “playdate” for kids 0-5 and their moms, dads, grandparents, or

guardians. Even dayhomes are welcome! We have many toys and costumes for the preschoolers, exersaucers and bouncers for babies, and moms who are eager to hold newborns. So if you are a new mom, or new to Evergreen, come on down, meet some neighbours and let the kids socialize while you have a coffee and swap stories with others in the same stage of life.

Where? At the Evergreen Community Hall in the strip mall

When? Every Wednesday morning, 10am-noon

What? Coffee for parents, snacks for kids, and a hall full of toys.

Why? Gives parents a break, and kids a chance to burn off steam!

Who? Around 4-8 parents and 10-20 children currently attend.

For up-to-the-minute TOTS information, please “like” our facebook page:
“Edmonton Evergreen Community Assoc TOTS”

*TOTS asks that you purchase a \$20 annual Evergreen Community Association membership to thank them for donating their space and their money to our program. Exceptions can be made for those in financial difficulty. Please do not stay away from this great program because you can't afford the

On behalf of Evergreen Community Association Board members we would like to give a “big thank you” to both Steve Patey and Lydia Christie for all their hard work and contribution to both the Board and Community Events!

• Courtesy Furnace Service Check Reminder.

For you, our valued customer of Global Heating Services

Winter is here and we expect our furnaces to be reliable and keep us warm 24/7, but like all equipment it can have those unexpected breakdowns.

You can help the performance of your furnace by having a *Furnace Service Check*.

This can help find those signs of problems and correct them before they cause a breakdown on the coldest days when we need our furnace the most.

Our *Furnace Service Check* we will inspect the operation and conditions of the following:

Furnace ignition system (IP,DI and HSI)

- Thermocouple/Thermopile systems
- Main and pilot burners
- Vent connector and chimney system
- System gas pressures
- Safety controls
- Air delivery components (Motor, belts, mounting and capacitor)
- Inspect your heat exchanger for cracks or holes
- Thermostat
- Mechanical make up and Combustion air ventilation
-

If you would like to book in a *Furnace Service Check* please reply back to this email or give us a call with your preferred date and time. We are now booking into December, but have some November dates still open.

February Is Heart Month

Do you know the signs and symptoms of a heart attack and what to do if someone experiences these? Knowing can make the difference between life and death.

Recognizing and responding immediately to the warning signs of a potential heart attack can significantly improve survival and recovery. February is Heart Month - take the time to be heart safe and learn how you can reduce your risk.

Know the signs of a heart attack

(Any or all of these signs & symptoms may occur)

- Chest pain described as crushing, squeezing, pressure or chest heaviness;
- Pain that moves beyond the chest such as shoulder, arm, neck or jaw pain;
- Shortness of breath, sweating or nausea and vomiting.

Reduce your risk

Heart attack risk factors include:

- Obesity
- Sedentary lifestyle
- Smoking
- High cholesterol
- Age / Gender
- Family history

Speak with your doctor about how to treat your modifiable risk factors and learn to be heart safe.

What to do when seconds count

- Call 9-1-1 immediately. Early treatment can greatly reduce heart damage and make the difference of life and death.
- Treatment starts the moment EMS arrives. Paramedics can provide oxygen, start an intravenous and perform an electrocardiogram (ECG).
- Paramedics can also administer important medications in the early minutes of a heart attack to lessen heart damage.
- During transport, EMS will also share information with the hospital so definitive treatment can begin immediately on arrival.
- Take a CPR/AED (automated external defibrillator) course. Training is widely available from many reputable organizations. It's easy, inexpensive, and only takes a few hours.
