IMAGINE IT • CREATE IT • LIVE IT

"Sometimes the questions are complicated and the answers are simple." — Dr. Seuss

The President's Corner

Come out and join in the festivities on **June 2nd**. The Spring Fling is full of fun for all. We're going to kick it off this year with a pancake breakfast at 8am. Bounce castle, balloons, face painting, bird and reptile zoo and much, much more. The Garden Club will be out with some amazing plants donated by their members for great prices.

Canada Day is coming up fast. This year is going to be an amazing event. Fireworks as always!!!! The BBQ put on by the Youth Center. Lots of events to keep our evening fun and full of fun.

We have been having alot of new volunteers step up and help the Community. Always looking for more. We have a Casino coming up we can always use more volunteers. **July 7th** and **July 8th** are the dates for the Casino. Contact the office for more information.

Join us also in wishing a full and speedy recovery to Joan Pouliot who has been under the weather lately. Joan and Denis are cornerstones of our Community.

Evergreen Garden Club News

Greetings fellow gardeners! Do you have some empty space in your flower beds? Boy do we have a deal for you! The Evergreen Garden Club is having another giant Plant Sale at the Spring Fling on June 2nd. This means you can purchase large, quality, locally-grown perennials for \$2-\$5 while supporting an Evergreen Community group! Most greenhouses will charge from \$8-\$25 for a perennial so hold on to your cash and get some good deals at the plant sale. A few select annuals and various Garden Crafts will be available at reasonable prices as well.

Join the club, meet new friends, share a few laughs...and go home feeling good.

the Community Hall. In addition to a trivia game about annuals and some general information, members were treated to a permaculture introduction from one of our members who attended a class on the subject in March 2012. A short field trip followed to see some examples of pairing deep and shallow rooted plants, building berms and swales, and using plant height as a shading tool. Thanks to Deb Downey for sharing her newfound knowledge with us.

Our next Garden Club meeting will be June 18th at 6:30pm at the hall. This meeting will be a craft meeting

and members will be creating

wind chimes. Members are encouraged to bring anything they would like to hang in a wind chime, but supplies will be provided.

The Evergreen Garden Club is always happy to have new members. Whether you cultivate one tomato plant in a pot by your doorstep or a perennial paradise that envelops your whole yard, the Garden Club is the place to meet horticultural experts from every field. For more information on becoming a member, call Mary at 406-5710.

Join the club, meet new friends, share a few laughs...and go home feeling good.

Clareview District Park Development

Several exciting projects are now underway at Clareview District Park. The City of Edmonton is developing and constructing outdoor sports fields, park spaces and a multi-purpose recreation centre.

Edmonton Catholic Schools and the Edmonton Public Library are collaborating with the City to build a high school completion centre and the Clareview Library as part of the recreation centre— a first-of-its-kind facility in Edmonton.

These developments at Clareview District Park will combine to create a dynamic space full of activity, energy and vitality. A place where all will be welcome – a “community hub” where people of all ages and abilities can gather to learn, exercise, relax, meet and have fun.

Amenities

Construction Timelines

Construction of the new recreation centre and library commenced in October 2011. The opening date is targeted for early 2014. The existing arena and hall will close in April 2012 and reopen in 2013.

The Clareview Arena will be expanded into a multipurpose facility that features the following amenities in addition to a new Branch Library and Gymnasium:

Amenities	Features
Aquatic Centre	<ul style="list-style-type: none"> leisure pool (with water features and children's pool) lane pool (8 lanes) 5m dive platform 1m & 3m springboards waterslide whirlpool steam room spectator seating change rooms
Fitness Centre	<ul style="list-style-type: none"> weight room cardio area 2 fitness studios walking/jogging track
Multipurpose Rooms	<ul style="list-style-type: none"> child play space child minding space community rooms party rooms
Outdoor Sports & Recreation	<ul style="list-style-type: none"> sports fields ball diamonds spray park and/or playground trails

NOTICE:

For the past few years, The Association for Evergreen Youth has participated in the Capital City Clean Up program by providing supervision on Friday mornings (when there's no Green Shack staff on site). Evergreen Capital City Clean Up Crew & Graffiti Patrol has picked up litter and painted over graffiti in the summer program area including the playground, rink, memorial garden and around the Youth Centre and in return, each active participant was given a free hot dog every time they helped. We also hosted weekly BBQ on Fridays from 4:30 on.

With only Green Shack and Youth Drop In staff available this summer, the Youth Centre is unable to provide staffing for either of these activities.

Unless we can find a volunteer to supervise this project we will be unable to offer the program this summer and there will be no activities available for children on Friday mornings. Please call Alice 780-413-8248 if this is something you can see yourself taking over. Green Shack staff are on site Fridays from 1:30—5:30 only for ages 6—11 years.

'Keep it light' on garbage day

Heavy bags unsafe for you and your collector

Many of us complain about taking out the garbage, but imagine doing it 600 times in one day.

For City garbage and recycling collectors, it's all part of a day's job. They pick up between 7,000 to 11,000 kilograms of waste every day – about the weight of 10 sub compact cars.

To give collectors and yourself a break, the City of Edmonton is encouraging you to 'Keep It Light' when you bag your garbage.

A good rule of thumb is that if you find it difficult to pick up, or have to drag it to the curb, it's probably too heavy.

City bylaw states your garbage bag or can must weigh less than 20 kilograms (44 pounds) or collectors will not pick it up. Garbage cans must be less than 100 litres in size, with fixed handles, no wheels and a tight-fitting, removable lid.

This one easy step can help your collectors do their job better and prevent you and your collector from injury.

RR Auto your friendly neighborhood service station where the coffee is on and our licensed technicians are available to service your car or truck. Keeping your vehicle tuned up is a good way to save money at the pump and prevent costly repairs down the road. Tire changes and repairs Service to most cars and trucks. New car warranty approved products

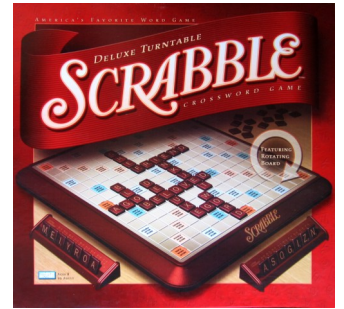

Call 780-472-9959 to book your appointment now, before you break down because after would be no fun.

A small but enthusiastic group attended our first Scrabble Tournament on May 17th in the Hall.

Let's try that again:

Thursday, June 14th at 7 p.m. Bring your

board and join us! Cash bar open and \$5 anti is split between the top 3 players of the evenings. Congrats to May's winners. Cori (1st); Pat (2nd) and Becky & Christina (who tied for 3rd). The rest of us didn't even make a ripple in the pond, but it sure was FUN!

Study your 2-letter words and bring \$5 to the hall for Round Two of the Evergreen Scrabble tournament. There will be three 45-minute games of round robin play. The 4 top high scores after the round robin games will play in a final for the winnings. Cash prizes go to the top 3 players. Cash bar will be open between rounds. Snack bar will be set up so bring something to share or just snack on what's there.

Evergreen Youth Zone

Youth Zone boys (ages 12—17) have worked hard all year long with regular bottle drives and volunteering for a variety of events in the community. As a result, 11 of them have earned sufficient points to be invited to join Isaac and Adam for a weekend of camping and fun at Elk Island Park June 22—24. Permission forms are available at the Youth Centre and MUST be returned by Saturday, June 9th. Remember, space is limited and you must have a

minimum of 25 points by June 9th to qualify. Ask Alice if you need to know how many points you have or need to earn and for opportunities to earn those points in time.

Next volunteer opportunity: Spring Fling (June 2nd) See Alice or Isaac to sign up to help.

Remember, we need your commitment to keep this program active! Like: <http://www.facebook.com/>

Backyard Play Safety

With summer fast approaching, Alberta Health Services EMS would like to encourage parents to ensure their backyard play areas are made safe. Direct supervision is the best method to reduce the chance of injury. It is also prudent to ensure play equipment in your yard is suitable for the age and skill of the children using it. Don't forget to check the equipment often and repair any worn or broken parts. Set up play equipment on 8 to 12 inches of a shock-absorbing surface such as sand, wood chips, or pea gravel. Grass will not adequately cushion a fall.

Water hazards

- Ensure all backyard swimming pools are fenced. The fence should be at least 1.5 metres (5 feet) high and have a self-latching, self-closing, lockable gate;
- Drowning is the leading cause of unintentional injury-related death among children ages one to four;
- Children can drown in just a few centimetres of water if it covers their mouth and nose.

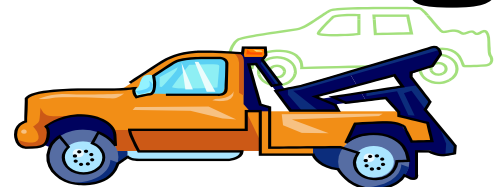

Lawn and garden tools

- Keep young children away from outdoor power equipment. Serious burns may result from touching hot engine surfaces;
- Ensure that all tools, fuel, chemicals, and other hazardous substances are stored in a secure, locked area. A simple latch may not be sufficient.

Insect bites and stings

- Minimize the risk of attracting insects by not wearing strong perfumes or scented lotions;
- Avoid wearing brightly coloured clothing outdoors;
- Destroy or re-locate hives and nests situated near your home;
- To avoid a bite in case of accidentally stepping on a stinging insect always ensure you child wears shoes or sandals;
- If your child has received an 'EpiPen Jr' prescription from your physician (for serious anaphylactic emergencies only) ensure they understand when and how to use it;
- If your child experiences a severe reaction to an insect sting, seek medical attention or call 9-1-1.

Does your child need a teeth cleaning?
NAIT is looking for 500 dental patients between the ages of 4 and 21 for May

and June.

Their Dental Assisting program is offering teeth cleaning and fluoride treatment for \$10. This helps the students get much needed hands on experience, and our community get super affordable dental care. Additionally, kids will learn how to brush and floss properly, and what foods are good and bad for their teeth.

NAIT has a sparkly new clinic too. New chairs, cabinetry and equipment. Their old equipment was shipped and donated to help train dental professionals in Rwanda. Yet another way NAIT is helping a community. This makes us smile.

Teeth cleaning appointments can be made by calling 780.471.8827.

Mission is to support our members as they take off (and keep off) pounds sensibly Tops is a nonprofit, weight-loss support and wellness education organization. Come out and join us and get the support you need. We have lots of fun while meeting our needs. Weekly meetings will be on Sunday nights from 7 - 8:30 pm

You're welcome to attend your first meeting free of charge—bring a friend if you like. There's no obligation.

Here's what you can expect:

- Private weigh-in before the meeting.
- Meeting starts with members sharing challenges, successes, or goals (if they want)
- There's a brief program.,
- Awards go to weekly or monthly best losers, contest winners, and members who've reached goal! The charms are just for encouragement.
- When needed, there's a quick business meeting before the closing.
- Meeting closes with a thought for the week or other inspirational activity.
