GARDEN CLUB NEWS FOR MARCH

Greetings fellow gardeners! Are you ready to "spring forward" and start planning your garden, flowerbeds and containers? As winter drags on, a lovely day can be spent going to greenhouses and doing some serious dreaming. Pick up some seeds, bask in the sun amongst the plants, close your eyes and inhale the sweet floral scents. It's always warm and humid inside and the greenhouse owners are often less busy and will have time to talk with you about which plants would do well in your garden and what plants are new or trendy for the upcoming season. Our February "Seedy Monday" meeting was well attended and many seeds were exchanged. A quiz helped to round out the evening and everyone learned

something new.

Our March meeting will be at the hall in the strip mall on March 17th at 6:30pm. We are hoping to have a speaker but as of today nothing is confirmed. If there is no speaker, have no fear, as always, the Garden Club executive will come up with something fun, educational and garden-themed for it's members to enjoy.

Our annual Open House will be April 26th this year. Mark the date on your calendar and drop in from 11-3 to join us on our indoor patio. It is a great way to find out what we are all about and meet many current Garden Club members.

Have you recently moved to Evergreen and are wanting to meet some of your neighbours? The Evergreen Garden Club is

a great place to do just that! A vibrant group of over 30 gardeners

in the community meet every third Monday of the month for garden-related speakers, crafts, outings and more. For more information, please call Mary at 780-406-5710.

Emergency
Medical
Services

Burns and Scalds

Every month Alberta Health Services EMS responds to emergencies where a young child has sustained severe burns or scalds. These incidents often occur inside the child's own home. Common causes include a child accidentally tipping hot liquids onto themselves, touching a hot surface, or making contact with an electrical outlet. Fortunately, incidents such as these can be avoided by taking simple preventative measures.

Degrees of burn

- 1°: Affects only the top layers of the skin; appears red like a sun burn; discomfort is generally tolerable.
- 2°: Deeper and much more painful than 1° burns; broken skin or blisters commonly develop.
- 3°: Severe: the deepest layers of skin and tissue are injured; may appear charred or leathery.

First Aid for burns

- Skin may continue to burn if not aggressively cooled. Immediately douse burns with large amounts of cold water.
- Cover the burn with a sterile dressing, or any clean, non-fluffy material to protect from infection.
- Over the counter medications may be used for pain. Adhere to directions given on the label.
- Seek further medical attention from your doctor as required.

Prevention of burns

- Check the temperature of your hot water tank. Many homes keep hot water temperatures as high as 60°C / 140°F. This temperature will scald a child in just seconds.
- Use placemats instead of tablecloths. Tablecloths can be yanked downward causing hot drinks or food to spill on a child.
- Turn pot handles to the back of the stove and ensure cords from kettles, slow cookers, and other electrical appliances cannot be reached.
- Avoid picking up a child while holding any hot liquids.
- Ensure electrical outlets are made secure by installing commercially available safety devices that prohibit access.

If you require immediate medical attention for a burn, call 9-1-1.

Evergreen TOTS

(Time Out To Socialize) program is a FREE* drop-in “playdate” for kids 0-5 and their moms, dads, grandparents, or guardians. Even dayhomes are

welcome! We have many toys and costumes for the preschoolers, exersaucers and bouncers for babies, and moms who are eager to hold newborns. So if you are a new mom, or new to Evergreen, come on down, meet some neighbours and let the kids socialize while you have a coffee and swap stories with others in the same stage of life.

Where? At the Evergreen Community Hall in the strip mall

When? Every Wednesday morning, 10am-noon

What? Coffee for parents, snacks for kids, and a hall full of toys.

Why? Gives parents a break, and kids a chance to burn off steam!

Who? Around 4-8 parents and 10-20 children currently attend.

For up-to-the-minute TOTS information, please “like” our facebook page:
“Edmonton Evergreen Community Assoc TOTS”

*TOTS asks that you purchase a \$20 annual Evergreen Community Association membership to thank them for donating their space and their money to our program.

Please call Natalie at 780-249-8071 if you have any questions.

On behalf of Evergreen Community Association Board members we would like to welcome Howard Carroll onto the Board as our new Senior Liaison.

RR Auto, your friendly neighborhood service station where the coffee is on and our licensed technicians are available to service your car or truck. Keeping your vehicle tuned up is a good way to save money at the pump and prevent costly repairs down the road.

• Courtesy Furnace Service Check Reminder.

For you, our valued customer of Global Heating Services

Winter is here and we expect our furnaces to be reliable and keep us warm 24/7, but like all equipment it can have those unexpected breakdowns.

You can help the performance of your furnace by having a *Furnace Service Check*.

This can help find those signs of problems and correct them before they cause a breakdown on the coldest days when we need our furnace the most.

Our *Furnace Service Check* we will inspect the operation and conditions of the following:

Furnace ignition system (IP, DI and HSI)

- Thermocouple/Thermopile systems
- Main and pilot burners
- Vent connector and chimney system
- System gas pressures
- Safety controls
- Air delivery components (Motor, belts, mounting and capacitor)
- Inspect your heat exchanger for cracks or holes
- Thermostat
- Mechanical make up and Combustion air ventilation
-

If you would like to book in a *Furnace Service Check* please reply back to this email or give us a call with your preferred date and time. We are now booking into December, but have some November dates still open.

The City of Edmonton and Edmonton Fire Rescue Services held a special information community open house on the renovation and temporary redeployment of resources from Clareview Fire Station 18 on Saturday, February 22, 2014 at John D. Bracco Junior High School.

Edmonton Fire Rescue Services is committed to protecting life, property and the environment, and strives to maintain a high level of service to all areas of the City and all citizens. Fire Rescue Services will continue to meet its mandate in Clareview, and throughout Edmonton, during and after the Clareview Fire Station Renovations.

Clareview Fire Station was built in 1978 and is one of the oldest fire stations in the City of Edmonton. Much of the building's 36-year-old infrastructure requires extensive renovations and maintenance work to extend its life cycle.

The City of Edmonton and Edmonton Fire Rescue Services has explored various options to temporary deploy Fire Station 18 operations existing corporate assets or locating a suitable commercial space. Unfortunately, none of these options are viable for our operational needs.

Fire Rescue Services has opted to redeploy resources from the Clareview Fire Station to nearby Beverly/Highlands Station 7 and Lake District/Bell Rive Station 25. Our due diligence has deemed this temporary redeployment of resources to be the best available solution.

If you were unable to attend and would like more information, please call 311.
