QUICK TIPS FOR CURB APPEAL!

SPRUCE UP OUTDOOR CONTAINERS.

Container plants add considerable interest to patios and doorways.

TOUCH UP THE MULCH.

Apply a fresh layer in all your garden beds. The color enhances the contrast of the surrounding plants and makes everything pop.

PLANT SOME INSTANT COLOR.

Seasonal color makes the landscape pop as well. Go for a splash of several colors or a more monochromatic scheme, whatever fits in with the look of your home.

GO GREEN.

Routine lawn maintenance will keep your lawn lush and green. Watering, fertilizing and keeping it trim are preventative measures to having a healthy lawn.

Evergreen Garden Club News

Greetings fellow gardeners! Well, the bounty of your vegetable harvest is over, and your garden has gone to rest for the winter. Now is the time to take on some winter gardening projects! Start some lettuce, spinach or herbs in a cool, sunny windowsill. Write down what perennials are where in your garden before the snow falls. Get some rocks and paint happy gardening messages on them, or make a set of unique labeling stakes for your vegetables. It's never too cold to think about gardening!

If you are sad that the season is over, why not come and meet with other gardeners in your neighbourhood to help keep that growing spirit alive during the dull winter months? The Evergreen Garden Club has over 30 members of all ages and meets once a month, year-round, for garden-related

trips, speakers, crafts and sometimes, just gardener to gardener fellowship. Their five-person executive works very hard to put together programs that include everyone from the novice to the pro. If you'd like to join this vibrant group, come check out a meeting for free. If you have any questions regarding our membership or programming, call Mary at 406-5710 and she'd love to help you out.

Our October meeting will not have occurred as of the printing of this newsletter, but the costume contest and pumpkin carving fun of October 29th will be recounted in next month's column, so stay tuned!

Our next meeting will be November 19th at 6:30pm in the Community hall. This meeting will be a craft meeting. The craft is still undecided, so members, make sure to listen for the phone call from trusty "phone reminder gal" Pat King prior to the meeting to hear the final decision on the November craft. As always, craft sup-

plies will be provided by the club but members can bring anything they would like to include from their own collection.

Join the club, meet new friends, share a few laughs...and go home feeling good.

T.O.T.S.

Evergreen's T.O.T.S. program is a **FREE*** drop-in "playdate" for kids 0-5 and their moms, dads or caretakers.

Where? at the EECA Hall in the strip mall

When? Every Wed 10 a.m.—

noon

What? Coffee for parents, snacks for kids and an entire hall full of toys

Why? To give parents a break and give kids a chance to socialize and run around in winter.

Who? Right now 10—15 parents and their children attend. Dayhomes and grandparents are welcome!

*TOTS asks that you purchase a \$20 annual Evergreen Community Association membership to thank them for donating the space and money to our program. Exceptions can be made for those in financial difficulty. Please do not stay away from this great program because you can't afford the

\$20.

New this year: Since so many of our kids walk to TOTS, we will NOT be having program on any days where the temperature, including wind chill, is -25°C or below. For example, if it is -19°C, but -25°C with the wind chill, the program will not be available that morning.

Questions? Call 473-6962

NOTE: To the thief who stole my cement garden mushroom ornament: Law enforcement will be informed if it's not returned.

The same small but enthusiastic group attended our last Scrabble Tournament in the hall.

Let's try it again: **Monday, November 26th at 7 p.m.**

Bring your board and join us! Cash bar open and \$5 anti is split between the top 3 players of the evening. Congrats to October's winners. The rest of us didn't even make a ripple in the pond, but it sure was FUN! Like words? Like hanging with crazy people? Like to have fun? We're the group for you!

Study your 2-letter words and bring \$5 to the hall for Round Three of the Evergreen Scrabble tournament. There will be three 45-minute games of round robin play. The 4 top high scores after the round robin games will play in a final for the winnings. Cash prizes go to the top 3 players. Cash bar will be open between rounds. Snack bar will be set up so bring something to share or just snack on what's there.

RR Auto your friendly neighborhood service station where the coffee is on and our licensed technicians are available to service your car or truck. Keeping your vehicle tuned up is a good way to save money at the pump and prevent costly repairs down the road.

- Tire changes and repairs
- Service to most cars and trucks.
- New car warranty approved products

Call 780-472-9959 to book your appointment now, before you break down because after would be no fun.

Yielding to Emergency Vehicles

Time is the enemy in any emergency. You can help; EMS, police and fire get to the scene quickly and safely by following the rules of the road. It's important for motorists to understand how to safely yield right of way to emergency vehicles with lights and siren activated so that everyone stays safe.

What to do when an emergency vehicle approaches with lights and siren activated

- If you're in the middle of an intersection when an emergency vehicle approaches with lights and siren activated, clear the intersection.
- On a one or two lane road, motorists should move to the right side of the road and stop. Remember to signal.
- On a road with three or more lanes, motorists should move to the nearest side of the road and stop. If driving in the centre lane, move to the right side of the road and stop. Remember to signal.
- Come to a complete stop and wait for the emergency vehicle to pass. Shoulder check for more emergency vehicles (there is often more than one) before re-entering traffic flow. Remember to signal.
- Remember, emergency vehicles may need to use any available road space to maneuver. This may include the use of shoulders and left hand turning lanes to pass other traffic.

While driving on the road

- Drive defensively at all times. Be attentive to sirens of emergency vehicles and be prepared to yield the right of way.
- It is the law for motorists to slow down to at least 60 km/hour (unless a lower speed is posted) when driving in the lane next to where an emergency vehicle is stopped.
- Do not break the rules of the road in order to give right of way to an emergency vehicle. This could include proceeding through a red light or making an illegal turn. Actions such as these jeopardize all motorists in the area.
- Do not drive on or block the shoulder of highways if emergency vehicles require it for access. Instead, wait for the emergency vehicle to pass before merging safely back in to the flow of traffic.
- Always leave plenty of space between your vehicle and an emergency vehicle in case it should stop suddenly.

Evergreen Youth Center offers drop in and registered programs and child must be able to walk home or be picked up immediately should the need arise. The Youth Center is a drop-in facility and rules for the comings and goings of participants is strictly between parent and child. The Youth Center is not responsible to monitor each child who attends it's programs. It is strictly an "at will" drop-in Centre, not a daycare facility.

UN Convention on the Rights of the Child In Child Friendly Language

"Rights" are things every child should have or be able to do. All children have the same rights. These rights are listed in the UN Convention on the Rights of the Child. Almost every country has agreed to these rights. All the rights are connected to each other, and all are equally important. Sometimes, we have to think about rights in terms of what is the best for children in a situation, and what is critical to life and protection from harm. As you grow, you have more responsibility to make choices and exercise your rights.

Article 1
Everyone under 18 has these rights.

Article 2
All children have these rights, no matter who they are, where they live, what their parents do, what language they speak, what their religion is, whether they are a boy or girl, what their culture is, whether they have a disability, whether they are rich or poor. No child should be treated unfairly on any basis.

Article 3
All adults should do what is best for you. When adults make decisions, they should think about how their decisions will affect children.

Article 4
The government has a responsibility to make sure your rights are protected. They must help your family to protect your rights and create an environment where you can grow and reach your potential.

Article 5
Your family has the responsibility to help you learn to exercise your rights, and to ensure that your rights are protected.

Article 6
You have the right to be alive.

Article 7
You have the right to a name, and this should be officially recognized by the government. You have the right to a nationality (to belong to a country).

Article 8
You have the right to an identity – an official record of who you are. No one should take this away from you.

Article 9
You have the right to live with your parents, unless it is best for you. You have the right to live with a family who cares for you.

Article 10
If you live in a different country than your parents do, you have the right to be together in the same place.

Article 11
You have the right to be protected from kidnapping.

Article 12
You have the right to give your opinion, and for adults to listen and take it seriously.

Article 13
You have the right to find out things and share what you think with others, by talking, drawing, writing or in any other way unless it harms or offends other people.

Article 14
You have the right to choose your own religion and beliefs. Your parents should help you decide what is right and wrong, and what is best for you.

Article 15
You have the right to choose your own friends and join or set up groups, as long as it isn't harmful to others.

Article 16
You have the right to privacy.

Article 17
You have the right to get information that is important to your well-being, from radio, newspapers, books, computers and other sources. Adults should make sure that the information you are getting is not harmful, and help you find and understand the information you need.

Article 18
You have the right to be raised by your parent(s) if possible.

Article 19
You have the right to be protected from being hurt and mistreated, in body or mind.

Article 20
You have the right to special care and help if you cannot live with your parents.

Article 21
You have the right to care and protection if you are adopted or in foster care.

Article 22
You have the right to special protection and help if you are a refugee (if you have been forced to leave your home and live in another country), as well as all the rights in this Convention.

Article 23
You have the right to special education and care if you have a disability, as well as all the rights in this Convention, so that you can live a full life.

Article 24
You have the right to the best health care possible, safe water to drink, nutritious food, a clean and safe environment, and information to help you stay well.

Article 25
If you live in care or in other situations away from home, you have the right to have those living arrangements looked at regularly to see if they are the most appropriate.

Article 26
You have the right to help from the government if you are poor or in need.

Article 27
You have the right to food, clothing, a safe place to live and to have your basic needs met. You should not be disadvantaged so that you can't do many of the things other kids can do.

Article 28
You have the right to a good quality education. You should be encouraged to go to school to the highest level you can.

Article 29
Your education should help you use and develop your talents and abilities. It should also help you learn to live peacefully, protect the environment and respect other people.

Article 30
You have the right to practice your own culture, language and religion – or any you choose. Minority and indigenous groups need special protection of this right.

Article 31
You have the right to play and rest.

Article 32

cake breakfast put on by the EECA and a very delicious BBQ lunch put on by the Youth Center. How awesome was our cupcake cake! Thank you Mary for the great idea and for arranging such a special treat for the 30th Anniversary of the Community League.

Halloween was pretty awesome. It was great to see the participation from trick or treaters and from the amazingly decorated houses. Thank you to the Youth Center and to the Seniors Center for providing a warm place for the kids to stop and get candy. There were some pretty spooktacular costumes out there.

I know it was over a month ago but I would like to thank all the spectacular volunteers that helped out with our 30th Anniversary Block Party. It was a huge success. We enjoyed a FREE Pan-
