GARDEN CLUB NEWS

Greetings fellow gardeners! As of the print date of this newsletter, we still have not seen snow. It has been a very nice autumn full of crisp mornings, warm afternoons, and colourful trees. A great fall/Christmas idea for a big container is to stuff it with some evergreen boughs, sticks, and pine cones (or whatever else you can imagine!). This green container will smell divine and look great on your doorstep.

For the October meeting, the Garden Club watched a movie about bees. With the bee population declining around the world, gardeners need to be aware of what we can do to encourage bees and keep those little pollinators around. If you're looking to find out more about our disappearing bees, check out these documentary-style movies: "More Than Honey", "Vanishing of the Bees", "Queen of the Sun"; or "The Last Beekeeper".

Our next meeting is November 18th at 6:30pm in the Community Hall in the strip mall. This meeting will be a Christmas craft extravaganza, with several different garden-related Christmas crafts available for our members to do. Always a creative bunch, Garden Club members are sure to make beauty from scraps and bring a love of gardening into the Christmas

season.

If you'd like to see what the Evergreen Garden Club is all about, drop by the hall the third Monday of the month and meet like-minded gardeners like yourself right here in your community. Call Mary at 780-406-5710 for more details. We'd love to meet you!

3rd Annual Invitational Tournament

Saturday, November 23rd
Horse Hill School Gym
Bow In at 9 a.m.

Hello hello,

I hope that the month of Oct went well for you all and that you're enjoying some of this beautiful fall weather. Our first month back with the program was excellent! As I mentioned this is the 4th year that I (Isaac) and my fellow staff member (Adam) have been at the Youth Centre and fall is always a fun time in Evergreen. We always do a ton of different games but despite the cold weather, we've been playing a ton of football! If you have the time, please have a quick look on our website, <https://www.facebook.com/GentlemenOfEvergreen> to check out some of the highlights from our football games.

I showed the video to a friend of mine at the University and she remarked "I can't remember the last time I saw a group of kids playing football outside". And I thought about it for a second and it's true, I couldn't think of the last time I saw that either and I think it's great that these young men are outside, getting exercise, working as a team, running around, and occasionally into each other.

So, a cool event going on this is month is taking place on November 16th; we are holding our second annual U12 NERF Tournament. This is a great opportunity for all children from ages 5-12 to come hang-out with our youth and see what we do on Saturdays. The event will run from 4pm-7pm the cost is \$10/child with

snacks provided. The proceeds go toward our year-end camping trip in June. Last year was such a success, we're hoping this year can be even better. Registration is required, if you are interested in signing your child up or need more information please don't hesitate to contact the Youth Centre or the Gentlemen of Evergreen at gentlemenofevergreen@gmail.com

Thanks for reading and don't forget, there's great things going on in the community of Evergreen!

-Isaac

Parents: Please be reminded that there is NO supervision in the playground area except for a short time during EG After School on Monday, Wednesday & Friday. Access to the Youth Centre water, bathrooms or phone may be limited.
